(10) Notwithstanding any other statute to the contrary, the maximum interest rate applicable to repayment of a promissory note under this section shall be twelve percent (12%) per annum, except that if a judgment is rendered to recover payment, the judgment shall bear interest at the rate of five percent (5%) greater than the rate actually charged on the promissory note.

HB 402, AN ACT relating to teachers and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.420 is amended to read as follows:

Public school funds made available to the credit of each district during any year shall be received, held, and expended by the district board, subject to the provisions of law and administrative regulations of the Kentucky Board of Education. The following restrictions shall govern the expenditure of funds from the public school fund:

(1) The salary paid any rank of teachers shall be at least equivalent to the amount set forth in the biennial budget schedule for each rank and experience for a term of one hundred eighty-five (185) days for full-time service during the regular school year.

(2) ***Beginning with the 2002-2004 biennium,*** the Kentucky Board of Education shall not approve any working budget or salary schedule for local boards of education for any school year unless the one hundred eighty-five (185) day salary schedule for certified staff has been adjusted over the previous year's salary schedule by ***a percentage increase at least equal to the cost-of-living adjustment that is provided state government workers under KRS 18A.355***[~~the lesser of:~~

~~(a) The percent increase in the average annual consumer price index for all urban consumers between the two (2) most recent calendar years, as published by the United States Bureau of Labor Statistics and stated in the statutory budget memorandum and the biennial budget report; or~~

~~(b) The percent increase of the base funding level in the program for support education excellence in Kentucky as defined in KRS 157.320~~].

(3) A district that compensates its teachers or employees for unused sick leave at the time of retirement, pursuant to KRS 161.155, may create an escrow account to maintain the amount of funds necessary to pay teachers or employees who qualify for receipt of the benefit. The fund is limited to not more than fifty percent (50%) of the maximum liability for the current year to be determined according to the number of staff employed by the district on September 15. Interest generated by the account shall be calculated as part of the total amount. The funds shall not be used for any purpose other than compensation for unused sick leave at the time of retirement and shall not be considered as part of the general fund balance in determining available local revenue for purposes of KRS 157.620.

(4) The per pupil capital outlay allotment for each district from the public school fund and from local sources shall be kept in a separate account and may be used by the district only for capital outlay projects approved by the chief state school officer in accordance with requirements of law, and based on a survey made in accordance with administrative regulations of the Kentucky Board of Education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(d) For the retirement of any deficit resulting from overexpenditure for capital construction, if such deficit resulted from an emergency declared by the Kentucky Board of Education under KRS 160.550; and

(e) As a reserve fund for the above-named purposes, to be carried forward in ensuing budgets.

(5) The district may contribute capital outlay funds for energy conservation measures under guaranteed energy savings contracts pursuant to KRS 45A.345, 45A.352, and 45A.353. Use of these funds, provided in KRS 45A.353, 56.774, and 58.600, shall be based on the following:

(a) The energy conservation measures shall include facility alteration;

(b) The energy conservation measures shall be identified in the district's approved facility plan;

(c) The current facility systems are consuming excess maintenance and operating costs;

(d) The savings generated by the energy conservation measures are guaranteed;

(e) The capital outlay funds contributed to the energy conservation measures shall be defined as capital cost avoidance as provided in KRS 45A.345(2) and shall be subject to the restrictions on usage as specified in KRS 45A.352(9); and

(f) The equipment that is replaced shall have exceeded its useful life as determined by a life-cycle cost analysis.

(6) If any district has a special levy for capital outlay or debt service that is equal to the capital outlay allotment or a proportionate fraction thereof, and spends the proceeds of that levy for the above-named purposes, the chief state school officer under administrative regulations of the Kentucky Board of Education, may authorize the district to use all or a proportionate fraction of its capital outlay allotment for current expenses. However, a district which uses capital outlay funds for current expenses shall not be eligible to participate in the School Facilities Construction Commission funds.

(7) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (4) of this section, upon approval of the chief state school officer, these funds may be used for school plant maintenance, repair, insurance on buildings, replacement of equipment, purchase of school buses, and the purchase of modern technological equipment, including telecommunications hardware, televisions, computers, and other technological hardware to be utilized for educational purposes only.

(8) In surveying the schools, the Department of Education shall designate each school facility as a permanent, functional, or transitional center.

(a) "Permanent center" means a center which meets the program standards approved by the Kentucky Board of Education, is located so that students are not subjected to an excessive amount of time being transported to the site, and has established an attendance area which will maintain enrollment at capacity but will also avoid overcrowding.

(b) "Functional center" means a center which does not meet all the criteria established for a permanent facility, but is adequate to meet accreditation program standards to insure no substantial academic or building deficiency. The facility plan shall include additions and renovations necessary to meet current accreditation standards for which federal, state, and local funds may be used.

(c) "Transitional center" means a center which the local board of education has determined shall no longer be designated permanent or functional. The center shall be destined to be closed and shall not be eligible for new construction, additions, or major renovation. However, the board of education shall maintain any operating transitional center to provide a safe and healthy environment for students.

(9) If a local school board authorized elementary, middle, or secondary education classes in a facility of a historical settlement school on January 1, 1994, the board shall continue to use the facilities provided by the settlement school if the facilities meet health and safety standards for education facilities as required by administrative regulations. The local school board and the governing body of the settlement school shall enter into a cooperative agreement that delineates the role, responsibilities, and financial obligations for each party.

SECTION 2. A NEW SECTION OF KRS CHAPTER 157 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section, "compensation" means the combination of base salary, salary supplements, and other benefits provided a teacher.

(2) (a) A school district may develop differentiated compensation programs that provide additional compensation above the single salary schedule described in Section 1 of this Act and defined in KRS 157.320. Differentiated compensation plans shall have one (1) or more of the following purposes: to recruit and retain teachers in critical shortage areas, to help reduce the number of emergency certified teachers employed in the district, to provide incentives to recruit and retain highly skilled teachers to serve in difficult assignments and hard-to-fill positions, to provide career advancement opportunities for classroom teachers who voluntarily wish to participate, or to reward teachers for increasing their skills, knowledge, and instructional leadership within the district or school.

(b) The Kentucky Board of Education shall promulgate administrative regulations defining the factors that may be included in a differentiated compensation plan and procedures that shall be used in the development and approval of differentiated compensation plans.

(3) (a) There is hereby established a professional compensation fund in the State Treasury. Beginning in the 2002-2004 biennium and thereafter, the fund shall be used to provide grants to school districts to pilot differentiated compensation programs for teachers. During the 2002-2004 biennium, the fund shall provide grants to at least five (5) school districts for a two (2) year period. The number of grants may increase or decrease based on the funds available and as deemed feasible by the Kentucky Department of Education.

(b) The district grants shall be used for one (1) or more of the purposes described in subsection (2)(a) of this section.

(c) The professional compensation fund may receive state appropriations, gifts, and grants from public and private sources, and federal funds. Any unalloted or unencumbered balances in the fund shall be invested as provided in KRS 42.500(9). Income earned from the investments shall be credited to the fund. Any fund balance at the close of a fiscal year shall not lapse but shall be carried forward to the next fiscal year and continuously appropriated for the purposes specified in this section.

(d) The fund shall be administered by the Kentucky Department of Education and shall be distributed on the basis of criteria promulgated in an administrative regulation by the Kentucky Board of Education. The administrative regulation shall specify the maximum size of grants, the application and selection process, the obligations of the local board of education, the evaluation and data requirements, and other details as deemed necessary by the board.

(4) Upon request, the Kentucky Department of Education shall provide assistance to any district that wishes to develop a differentiated compensation program.

(5) During the 2002-2004 biennium, the Kentucky Department of Education shall gather information and summarize the characteristics and impact of the various differentiated compensation programs. By October 1, 2004, the department shall provide recommendations to the Interim Joint Committee on Education as to the feasibility of establishing a statewide teacher advancement program or other ideas for modifying teacher compensation.

SECTION 3. A NEW SECTION OF KRS 164.740 TO 164.785 IS CREATED TO READ AS FOLLOWS:

(1) For purposes of this section unless the context requires otherwise:

(a) "Critical shortage area" means an area in which there are insufficient numbers of fully certified staff in a particular subject, school, or geographic location.

(b) "Emergency certified teacher" means an individual who has not completed certification requirements but has been awarded a temporary certificate for a certification area in which no fully certified teacher was available.

(c) "Qualified teacher" means a teacher who holds the appropriate certification for a position.

(d) "Qualified teaching service" means teaching for at least seventy (70) days each semester or the equivalent in the certification area for which an individual received a forgivable loan in the Kentucky school district that recommended the individual for a loan or in another Kentucky private or public school district in the certification area for which an individual received a forgivable loan if no position was available in the recommending school district at the time when the individual completed his or her certification.

(e) "Semester" means a period which usually makes up one-half (1/2) of a school year or one-half (1/2) of a postsecondary institution's academic year.

(f) "Summer term" means an academic period consisting of one (1) or more sessions of instruction between a spring and a fall semester at a postsecondary education institution.

(2) To increase the number of qualified teachers in local school districts and to reduce the number of emergency certified teachers, there is hereby created the district teacher certification loan fund in the State Treasury. The loans shall be used to provide forgivable loans to emergency certified personnel, fully certified teachers who are willing to seek additional certification in hard-to-fill or critical shortage areas, and paraprofessionals in local school districts to become fully certified teachers and to continue service within the local district.

(3) The fund shall be administered by the Kentucky Higher Education Assistance Authority. The authority shall promulgate administrative regulations to specify the terms and conditions of the award, cancellation, and repayment of loans including, but not limited to, the maximum amount that may be loaned per term and the maximum aggregate amount per applicant, the selection process, eligibility for renewal, the specific administrative procedures for utilizing the funds, and the rate of repayment.

(4) To qualify for a forgivable loan, an applicant shall meet the following requirements:

(a) Be employed by a specific local district as a certified teacher, an emergency full-time or part-time teacher, an emergency substitute teacher, or a paraprofessional at the time he or she makes application for the loan;

(b) Be recommended by the superintendent as an individual that he or she would recommend to be employed in a teaching position for which the applicant is pursuing certification if the applicant fulfills all credentialing requirements;

(c) Be endorsed by the school-based decision making council of the school in which he or she serves to receive a loan for the purposes of obtaining teacher certification in a specific certification area; except that the

endorsement shall not be construed as a commitment of securing a position in the particular school in the future;

(d) Be admitted and enrolled as an undergraduate or graduate student in a Kentucky private or public postsecondary institution that offers a teacher certification program in the area for which he or she is seeking certification; and

(e) Be enrolled in a minimum of six (6) credit hours and not more than nine (9) credit hours during each semester of an academic term while employed concurrently in the school district and in not less than six (6) credit hours during the summer term. If a school district recommends an applicant for a loan under provisions of this section and grants a leave of absence to the employee to pursue certification, the employee shall be enrolled as a full-time undergraduate or graduate student as defined by the institution in which he or she is enrolled.

(5) A participant in a local district alternative certification program as defined in KRS 161.048(2) may be eligible for a loan under provisions of this section to offset costs associated with the program. The authority shall establish by administrative regulation the specific requirements, notwithstanding requirements in subsection (4) of this section.

(6) A loan shall not be awarded or a promissory note cancellation shall not be granted to any person who is in default on any obligation to the authority under any program administered pursuant to KRS 164.740 to 164.785 until financial obligations to the authority are satisfied, except that ineligibility for this reason may be waived by the authority for cause.

(7) Recipients shall render one (1) semester of qualified teaching service for each semester or summer term for which a loan was received. Upon completion of each semester of qualified teacher service, the authority shall cancel the appropriate portion of the promissory notes.

(8) If the recipient of a loan fails to complete the certification at a participating institution or fails to render qualified teaching service in any semester following certification, unless the failure is temporarily waived for cause by the authority, the recipient shall immediately become liable to the authority for repayment of the sum of all outstanding promissory notes and accrued interest. Persons liable for repayment of loans under this paragraph shall be liable for interest accruing from the dates on which the loans were disbursed.

(9) Failure to meet repayment obligations imposed by this section shall be cause for the revocation of a person's certification, subject to the procedures set forth in KRS 161.120.

(10) All moneys repaid to the authority under this section shall be added to the fund in this section. Any fund balance at the close of a fiscal year shall not lapse but shall be carried forward to the next fiscal year and continuously appropriated for the purposes specified in this section.

(11) The authority may execute appropriate contracts and promissory notes for administering this section.

(12) If available funds are insufficient for all requested loans for eligible applicants during any fiscal year, the authority shall give priority consideration to eligible applicants who previously received loans. If funds are insufficient to make all requested renewal loans to eligible applicants, the authority shall reduce all loans to the extent necessary to provide loans to all qualified renewal applicants. If, after awarding all eligible renewal applicants, funds are not depleted, priority shall be given to loans for those applicants who are seeking certification in critical shortage areas.

Section 4. KRS 156.553 is amended to read as follows:

Differentiated compensation plans shall have one (1) or more of the following purposes: to recruit and retain teachers in critical shortage areas, to help reduce the number of emergency certified teachers employed in the district, to provide incentives to recruit and retain highly skilled teachers to serve in difficult assignments and hard-to-fill positions, to provide career advancement opportunities for classroom teachers who voluntarily wish to participate, or to reward teachers for increasing their skills, knowledge, and instructional leadership within the district or school.

(b) The Kentucky Board of Education shall promulgate administrative regulations defining the factors that may be included in a differentiated compensation plan and procedures that shall be used in the development and approval of differentiated compensation plans.

(b) "Emergency certified teacher" means an individual who has not completed certification requirements but has been awarded a temporary certificate for a certification area in which no fully qualified teacher was available.

(d) "Qualified teaching service" means teaching for at least seventy (70) days each semester or the equivalent in the certification area for which an individual received a forgivable loan in the Kentucky school district that recommended the individual for a loan or in another Kentucky private or public school district in the certification area for which an individual received a forgivable loan if no position was available in the recommending school district at the time when the individual completed his or her certification.

(f) "Summer term" means an academic period consisting of one (1) or more sessions of instruction between a spring and a fall semester at a postsecondary education institution.

(2) To increase the number of qualified teachers in local school districts and to reduce the number of emergency certified teachers, there is hereby created the district teacher certification loan fund in the State Treasury. The loans shall be used to provide forgivable loans to emergency certified personnel, fully certified teachers who are willing to seek additional certification in hard-to-fill or critical shortage areas, and paraprofessionals in local school districts to become fully certified teachers and to continue service within the local district.

(3) The fund shall be administered by the Kentucky Higher Education Assistance Authority. The authority shall promulgate administrative regulations to specify the terms and conditions of the award, cancellation, and repayment of loans including, but not limited to, the maximum amount that may be loaned per term and the maximum aggregate amount per applicant, the selection process, eligibility for renewal, the specific administrative procedures for utilizing the funds, and the rate of repayment.

(4) To qualify for a forgivable loan, an applicant shall meet the following requirements:

(a) Be employed by a specific local district as a certified teacher, an emergency full-time or part-time teacher, an emergency substitute teacher, or a paraprofessional at the time he or she makes application for the loan;

(b) Be recommended by the superintendent as an individual that he or she would recommend to be employed in a teaching position for which the applicant is pursuing certification if the applicant fulfills all credentialing requirements;

(c) Be endorsed by the school-based decision making council of the school in which he or she serves to receive a loan for the purposes of obtaining teacher certification in a specific certification area; except that the endorsement shall not be construed as a commitment of securing a position in the particular school in the future;

(d) Be admitted and enrolled as an undergraduate or graduate student in a Kentucky private or public postsecondary institution that offers a teacher certification program in the area for which he or she is seeking certification; and

(e) Be enrolled in a minimum of six (6) credit hours and not more than nine (9) credit hours during each semester of an academic term while employed concurrently in the school district and in not less than six (6) credit hours during the summer term. If a school district recommends an applicant for a loan under provisions of this section and grants a leave of absence to the employee to pursue certification, the employee shall be enrolled as a full-time undergraduate or graduate student as defined by the institution in which he or she is enrolled.

(5) A participant in a local district alternative certification program as defined in KRS 161.048(2) may be eligible for a loan under provisions of this section to offset costs associated with the program. The authority shall establish by administrative regulation the specific requirements, notwithstanding requirements in subsection (4) of this section.

(6) A loan shall not be awarded or a promissory note cancellation shall not be granted to any person who is in default on any obligation to the authority under any program administered pursuant to KRS 164.740 to 164.785 until financial obligations to the authority are satisfied, except that ineligibility for this reason may be waived by the authority for cause.

(7) Recipients shall render one (1) semester of qualified teaching service for each semester or summer term for which a

loan was received. Upon completion of each semester of qualified teacher service, the authority shall cancel the appropriate portion of the promissory notes.

(8) If the recipient of a loan fails to complete the certification at a participating institution or fails to render qualified teaching service in any semester following certification, unless the failure is temporarily waived for cause by the authority, the recipient shall immediately become liable to the authority for repayment of the sum of all outstanding promissory notes and accrued interest. Persons liable for repayment of loans under this paragraph shall be liable for interest accruing from the dates on which the loans were disbursed.

(9) Failure to meet repayment obligations imposed by this section shall be cause for the revocation of a person's certification, subject to the procedures set forth in KRS 161.120.

(10) All moneys repaid to the authority under this section shall be added to the fund in this section. Any fund balance at the close of a fiscal year shall not lapse but shall be carried forward to the next fiscal year and continuously appropriated for the purposes specified in this section.

(11) The authority may execute appropriate contracts and promissory notes for administering this section.

(12) If available funds are insufficient for all requested loans for eligible applicants during any fiscal year, the authority shall give priority consideration to eligible applicants who previously received loans. If funds are insufficient to make all requested renewal loans to eligible applicants, the authority shall reduce all loans to the extent necessary to provide loans to all qualified renewal applicants. If, after awarding all eligible renewal applicants, funds are not depleted, priority shall be given to loans for those applicants who are seeking certification in critical shortage areas.

HB 532, AN ACT relating to head teachers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.150 is amended to read as follows:

(1) All pupils admitted to the common schools shall comply with the lawful regulations for the government of the schools:

(a) Willful disobedience or defiance of the authority of the teachers or administrators, use of profanity or vulgarity, assault or battery or abuse of other students, the threat of force or violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property of students, the carrying or use of weapons or dangerous instruments, or other incorrigible bad conduct on school property, as well as off school property at school-sponsored activities, constitutes cause for suspension or expulsion from school; and

(b) Assault or battery or abuse of school personnel; stealing or willfully or wantonly defacing, destroying, or damaging the personal property of school personnel on school property, off school property, or at school-sponsored activities constitutes cause for suspension or expulsion from school.

(2) Each local board of education shall adopt a policy requiring the expulsion from school for a period of not less than one (1) year for a student who is determined by the board to have brought a weapon to a school under its jurisdiction. The board shall also adopt a policy requiring disciplinary actions, up to and including expulsion from school, for a student who is determined by the board to have possessed prescription drugs or controlled substances for the purpose of sale or distribution at a school under the board's jurisdiction, or to have physically assaulted or battered or abused educational personnel or other students at a school or school function under the board's jurisdiction. The board may modify the

expulsion requirement for students on a case-by-case basis. A board that has expelled a student from the student's regular school setting shall provide or assure that educational services are provided to the student in an appropriate alternative program or setting, unless the board has made a determination, on the record, supported by clear and convincing evidence, that the expelled student poses a threat to the safety of other students or school staff and cannot be placed into a state-funded agency program. Other intervention services as indicated for each student may be provided by the board or by agreement with the appropriate state or community agency. A state agency that provides the service shall be responsible for the cost. In determining whether a student has brought a weapon to school, a local board of education shall use the definition of "unlawful possession of a weapon on school property" stated in KRS 527.070.

(3) School administrators, teachers, or other school personnel may immediately remove or cause to be removed threatening or violent students from a classroom setting or from the district transportation system pending any further disciplinary action that may occur. Each board of education shall adopt a policy to assure the implementation of this section and to assure the safety of the students and staff.

(4) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(5) The superintendent, principal, ***or*** assistant principal[~~, or head teacher~~] of any school may suspend a pupil but shall report the action in writing immediately to the superintendent and to the parent, guardian, or other person having legal custody or control of the pupil. The board of education of any school district may expel any pupil for misconduct as defined in subsection (1) of this section, but the action shall not be taken until the parent, guardian, or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(6) (a) Suspension of exceptional children, as defined in KRS 157.200, shall be considered a change of educational placement if:

1. The child is removed for more than ten (10) consecutive days during a school year; or

2. The child is subjected to a series of removals that constitute a pattern because the removals accumulate to more than ten (10) school days during a school year and because of other factors, such as the length of each removal, the total amount of time the child is removed, and the proximity of removals to one another.

(b) The admissions and release committee shall meet to review the placement and make a recommendation for continued placement or a change in placement and determine whether regular suspension or expulsion procedures apply. Additional evaluations shall be completed, if necessary.

(c) If the admissions and release committee determines that an exceptional child's behavior is related to his disability, the child shall not be suspended any further or expelled unless the current placement could result in injury to the child, other children, or the educational personnel, in which case an appropriate alternative placement shall be provided that will provide for the child's educational needs and will provide a safe learning and teaching environment for all. If the admissions and release committee determines that the behavior is not related to the disability, the local educational agency may pursue its regular suspension or expulsion procedure for the child, if the behavior so warrants. However, educational services shall not be terminated during a period of expulsion and during a suspension after a student is suspended for more than a total of ten (10) days during a school year. A district may seek temporary injunctive relief through the courts if the parent and the other members of the admissions and release committee cannot agree upon a placement and the current placement will likely result in injury to the student or others.

(7) Suspension of primary school students shall be considered only in exceptional cases where there are safety issues for the child or others.

Section 2. KRS 160.295 is amended to read as follows:

(1) The board of education of each public school district in the Commonwealth may adopt and promulgate a code of student rights and responsibilities for secondary schools from recommendations of a committee composed of students, faculty, parents, and school district administrative personnel.

(2) Such committee shall consist of two (2) students, two (2) parents of students, two (2) faculty members, two (2) representatives from administrative personnel of the district, and one (1) member of the local school board.

Such notification shall take place on or before the first day of school for each school term.

(b) Nominations for the student, faculty, and parent members of the committee shall be received in writing by the district superintendent within thirty (30) days following the commencement of each school term.

(c) The election of student, faculty, and parent members of the committee shall be held within fourteen (14) days following the closing of nominations under the supervision of the district superintendent.

(d) The initial meeting of the elected and appointed members shall be no later than fourteen (14) days following the election.

(4) Each committee member shall be entitled to a single vote and any code of student rights and responsibilities adopted by a majority of the committee membership shall be submitted to the district board of education which may cause such code, in whole or in part, to be implemented in the public schools of the district.

(5) All meetings of the committee shall be open to the public and the committee shall hold at least one (1) public hearing on the proposed code before it is adopted and submitted to the district board of education for implementation.

(6) The code of student rights and responsibilities adopted by the committee may define rights and responsibilities regarding, but not limited to, the following:

(a) Right of expression, including, but not limited to, appearance, assembly, association, and circulation of petitions and literature;

(b) Right to participate in decision-making procedures directly affecting students;

(c) Right to procedural due process concerning major disciplinary action, as defined by the code;

(d) Right to receive academic grades based only upon academic performance;

(e) Right to freedom from abuse and threat of abuse by members of school faculties and administration personnel; and

(f) Right of access by a student to his or her own records and guarantee of the confidentiality of a student's academic records outside of the school system, except upon written authorization of the student or his or her parents or guardians.

(7) Students shall refrain from activity which materially or substantially disrupts the educational process or presents a clear and present danger to the health and safety of persons or property, or infringes on the rights of others.

The policy may include a requirement that each school council make an annual report at a public meeting of the board describing the school's progress in meeting the educational goals set forth in KRS 158.6451 and district goals established by the board. The policy shall also address and comply with the following:

(a) Except as provided in paragraph (b)2. of this subsection, each participating school shall form a school council composed of two (2) parents, three (3) teachers, and the principal or administrator. The data shall include, but not be limited to, information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, and participation in the federal free and reduced price lunch program. After completing the review of data, each school council shall adopt a plan to ensure that each student makes progress toward meeting the goals set forth in KRS 158.645 and 158.6451(1)(b). (5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. School councils of small schools shall be encouraged to work with other school councils to maximize professional development opportunities.

(9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. (6) (a) The cabinet and any regional managed care partnership or other entity under contract with the cabinet for the

Section 18. Any carryover funding or any future funding appropriated or funding from any other source designated for the purpose of telehealth shall be transferred to the Kentucky e-Health and Telehealth Board.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 238.570 is amended to read as follows:

(1) A fee is imposed on charitable gaming in the amount of four-tenths of one percent (0.4%) of gross receipts derived from all charitable gaming conducted by charitable organizations required to be licensed in the Commonwealth of Kentucky. Each licensed charitable organization shall remit to the department all moneys due on a quarterly basis. Failure by a licensed charitable organization to timely remit the fee required under this subsection upon notice of delinquency shall constitute grounds for disciplinary action in accordance with KRS 238.560.

All revenues generated from the fee levied in subsection (1) of this section from license fees and from administrative fines imposed by the department shall be deposited in this account. Moneys in this account shall be expended by the department only in the administration and enforcement of provisions of this chapter. (c) ***The court may waive the filing of a biennial report, final settlement, or corporate surety bond for any year in which the ward's monthly income, on average, is under seven hundred dollars ($700) or in which the ward is Medicaid eligible. In all these cases, the guardian, conservator, or limited conservator shall file an affidavit stating the source of and amount of all income. All income shall be used for the support and maintenance of the ward***~~[If the ward has no real property and possesses personal property of two thousand five hundred dollars ($2,500) or less for any year during the biennial report, the guardian, conservator, or limited conservator may file an informal biennial financial report attesting to the identity of the ward's financial account and its current balance. If the balance does not exceed two thousand five hundred dollars ($2,500) for any year of the biennial report, the guardian, conservator, or limited conservator shall not be required to render to the court a detailed accounting of the expenditures from the fund, unless the court, on its own motion or that of any interested party or individual, deems it necessary to order the guardian, conservator, or limited conservator to provide a detailed biennial accounting, including the listing of all expenditures for that reporting period. The first payment shall be accompanied by a handling fee of two dollars and fifty cents ($2.50) paid directly to the circuit clerk and deposited in a trust and agency account to the credit of the Administrative Office of the Courts. The account shall be used to assist the circuit clerks in hiring additional employees and providing salary adjustments for deputy clerks. The court shall reduce or waive the fee if the person does not have the financial resources to pay the fee. In any case or legal action, a needy person shall be assessed a total administrative fee of no more than fifty dollars ($50), regardless of the stages of the matter at which the needy person is provided appointed counsel. In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.

(2) At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person who has requested a public defender is able to pay a partial fee for legal representation, the other necessary services and facilities of representation, and court costs. The court shall order payment in an amount determined by the court and may order that the payment be made in a lump sum or by installment payments to recover money for representation provided under this chapter. This partial fee determination shall be made at each stage of the proceedings.

(3) The administrative fee shall be in addition to any partial fee assessed by the court.

(4) All moneys received by the public advocate from indigent defendants pursuant to subsection (2) of this section shall be credited to the public advocate fund of the county in which the trial is held if the county has a plan pursuant to Section 6 of this Act or subsections (1) and (2)(a) of Section 7 of this Act which has been approved by the public advocate pursuant to Section 5 of this Act. Moneys credited to a county public advocate fund may be used only to support the public advocate program of that county.

(5) All moneys collected by the public advocate from indigent defendants pursuant to subsection (2) of this section in counties with a local public advocacy system established by the public advocate pursuant to subsection (2)(b) of Section 8 of this Act shall be credited to the Department of Public Advocacy special trust and agency account to be used to support the state public advocacy system.

(6) All moneys collected from the administrative fee shall be credited to the Department of Public Advocacy special trust and agency account to be used to support the state public advocacy system.

(7) If the administrative fee or partial fee, or any portion thereof, is not paid by the due date, the court's order is a civil judgment subject to collection under Civil Rule 69.03 and KRS Chapter 426.

(8) If a person receives legal assistance or other benefit under this chapter to which he or she is not entitled or if a person receives legal assistance under this chapter and is financially able to pay for representation on the date the suit is brought, the public advocate, on behalf of the Commonwealth, shall recover, where practical, payment or reimbursement, as the case may be, from the person who received the legal assistance or his or her estate. Suit shall be brought within five (5) years after the date on which the aid was received.

(9) All moneys collected under this section shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

(10) Any attorney participating in a public advocacy plan shall forward all information which he or she may have which indicates that payment or reimbursement may be obtained pursuant to subsection (8) of this section.

(11) The duty of recovery contemplated by subsection (8) of this section shall extend against persons who were the custodial parents or guardians of unemancipated minors at the time these minors were deemed needy as defined in subsection (3)(c) or (3)(d) of Section 8 of this Act.

(12) The court shall order that all moneys collected pursuant to this section shall be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the Department of Public Advocacy on a monthly basis a copy of all the orders or an electronic report compiled by the Administrative Office of the Courts listing those orders. Additionally, the clerk shall forward to the Department of Public Advocacy on a monthly basis an accounting of, and the moneys collected in, each case.

(3) No attorney participating in any public advocacy plan shall be compensated for his services until he has perfected an appeal for a client who requests an appeal and has filed the information required in subsection (2) of this section.

(4) Any public advocacy attorney who is representing a client on appeal who after a conscientious examination of said appeal believes the appeal to be wholly frivolous after careful examinations of the record may request the court to which the appeal has been taken for permission to withdraw from the case. The attorney must file with that request a brief which sets forth any arguments which might possibly be raised on appeal. A copy of the request for permission to withdraw and the brief must be served upon the client in sufficient time so that the client may raise any argument he chooses to raise.

Section 17. KRS 31.220 is amended to read as follows:

This chapter applies only to representation in the courts of this state, except that it does not prohibit a defending attorney from representing a needy person in a federal court of the United States, if:

After final approval of the fee and expenses the Circuit Judge shall, if state compensation is desired, certify the amount and transmit the document to the public advocate who shall review the fee and expense request and shall approve, deny, or modify the request. The request as approved or modified shall then be paid. Requests for payment of assigned counsel by the state shall be denied if the district has exceeded the amount of funds which may be allotted to it, if the district plan has not been approved, or if the public advocate finds that compensation is otherwise not warranted. (a) A person, eighteen (18) years of age or older, or emancipated minor under the age of eighteen (18), who at the time his need is determined is unable to provide for the payment of an attorney and all other necessary expenses of representation;

(b) A minor, under the age of eighteen (18), who is party defendant in an action ***of being an habitual runaway from his or her parent or person exercising control or supervision of the child brought under KRS 630.020(1) or of being beyond the control of parents*** brought under KRS 630.020(2), and at the time his need is determined is unable to provide for the payment of an attorney and all other necessary expenses of representation;

(c) An unemancipated minor, under the age of eighteen (18), ***who allegedly has***[~~alleged to have~~] committed an offense as described in KRS 610.010(1)(a), ***or who allegedly is beyond the control of the school as described in KRS 610.010(1)(b), or who allegedly is an habitual truant from school as described in KRS 610.010(1)(c), or who allegedly is an habitual runaway as described in KRS 610.010(1)(d),*** whose custodial parent or guardian at the time the need of the minor is determined is unable to provide for the payment of an attorney and all other necessary expenses of representation, and who cannot personally so provide; or

(d) An unemancipated minor, under the age of eighteen (18), alleged to have committed an offense as described in KRS 610.010(1)(a), ***(b), (c), or (d),*** whose custodial parent or guardian at the time the need of the minor is determined ***has interests adverse to the child relevant to the charged offenses and who*** is able to provide for the payment of an attorney and all other necessary expenses of representation, when such representation is not provided or is not consented to by the unemancipated minor;

(4) "Serious crime" includes:

(a) A felony;

(b) A misdemeanor or offense any penalty for which includes the possibility of confinement[~~ or a fine of five hundred dollars ($500) or more~~];

(c) Any legal action which could result in the detainment of a defendant; and

(d) An act that, but for the age of the person involved, would otherwise be a serious crime.

Section 11. KRS 31.110 is amended to read as follows:

(1) A needy person who is being detained by a law enforcement officer, on suspicion of having committed, or who is under formal charge of having committed, or is being detained under a conviction of, a serious crime, ***or who is accused of having committed a public or status offense or who has been committed to the Department of Juvenile Justice or Cabinet for Families and Children for having committed a public or status offense as those are defined by KRS 630.020(2) or KRS 610.010(1)(a), (b), (c), or (d)*** is entitled:

(a) To be represented by an attorney to the same extent as a person having his own counsel is so entitled; and

(b) To be provided with the necessary services and facilities of representation including investigation and other preparation. The courts in which the defendant is tried shall waive all costs.

(2) A needy person who is entitled to be represented by an attorney under subsection (1) is entitled:

(a) To be counseled and defended at all stages of the matter beginning with the earliest time when a person providing his own counsel would be entitled to be represented by an attorney and including revocation of probation or parole;

(b) To be represented in any appeal; and

(c) To be represented in any other post-conviction***, or, if a minor under the age of eighteen (18), post-disposition*** proceeding that the attorney and the needy person considers appropriate. However, if the counsel appointed in such post-conviction***, or, if a minor under the age of eighteen (18), post-disposition*** remedy, with the court involved, determines that it is not a proceeding that a reasonable person with adequate means would be willing to bring at his own expense, there shall be no further right to be represented by counsel under the provisions of this chapter.

(3) A needy person's right to a benefit under subsection (1) or (2) is not affected by his having provided a similar benefit at his own expense, or by his having waived it, at an earlier stage.

(4) A person, whether a needy person or not, who is a minor under the age of eighteen (18) and who is in the custody of the Department of Juvenile Justice and is residing in a residential treatment center or detention center is entitled to be represented on a legal claim related to his or her confinement involving violations of federal or state statutory rights or constitutional rights.

Section 12. KRS 31.120 is amended to read as follows:

(1) The determination of whether a person covered by KRS 31.110 is a needy person shall be deferred no later than his first appearance in court or in a suit for payment or reimbursement under ***Section 14 of this Act***[~~KRS 31.150~~], whichever occurs earlier. Thereafter, the court concerned shall determine, with respect to each step in the proceedings, whether he is a needy person. However, nothing herein shall prevent appointment of counsel at the earliest necessary proceeding at which the person is entitled to counsel, upon declaration by the person that he is needy under the terms of this chapter. In that event, the person involved shall be required to make reimbursement for the representation involved if he later is determined not a needy person under the terms of this chapter.[~~ At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person who has requested a public defender is able to pay a partial fee.~~]

(2) In determining whether a person is a needy person and in determining the extent of his, and, in the case of an unemancipated minor under KRS 31.100(3)(c), his custodial parent's or guardian's inability to pay, the court concerned shall consider such factors as***:***

(a) Income***;***[~~,~~]

(b) Source of income;

(c) Property owned***;***[~~,~~]

(d) Number of motor vehicles owned and in working condition;

(e) Other assets;

(f) Outstanding obligations***;***[~~, and~~]

(h) The poverty level income guidelines compiled and published by the United States Department of Labor;

(i) Complexity of the case;

(j) Amount a private attorney charges for similar services;

(k) Amount of time an attorney would reasonably spend on the case; and

(l) Payment of money bail, other than a property bond of another, whether deposited by the person or another, to secure the person's release from confinement on the present charge of which he or she stands accused or convicted; and

(m) Any other circumstances presented to the court relevant to financial status.

Release on bail, or any other method of release provided in KRS Chapter 431, shall not necessarily prevent him from being a needy person. In each case, the person, and, if an unemancipated minor under KRS 31.100(3)(c) and (d), his custodial parent or guardian, subject to the penalties for perjury, shall certify by affidavit of indigency which shall be compiled by the pretrial release officer, as provided under KRS Chapter 431 and Supreme Court Rules or orders promulgated pursuant thereto, the material factors relating to his ability to pay in the form the Supreme Court prescribes.

(3)[~~ It shall be prima facie evidence that a person is not indigent or needy within the meaning of this chapter if he and, in the case of an unemancipated minor under KRS 31.100(3)(c) and (d), if his custodial parent or guardian:~~

~~(b) Is not receiving, or if not receiving is not eligible to receive, public assistance payments at the time the affidavit of indigency is executed;~~

~~(c) Has paid money bail (other than a property bond of another), whether deposited by himself or another, to secure his release from confinement on the present charge of which he stands accused or convicted; or~~

The determination shall be made at each stage of the proceedings.~~

~~(6)~~] The affidavit of indigency, to be subscribed and sworn to by the person, and, in the case of an unemancipated minor under KRS 31.100(3)(c), by his custodial parent or guardian, shall be as set out herein ***and contain, at a minimum, the following information***:

Section 13. KRS 31.185 is amended to read as follows:

(1) Any defending attorney operating under the provisions of this chapter is entitled to use the same state facilities for the evaluation of evidence as are available to the attorney representing the Commonwealth. If he *or she* considers their use impractical, the court concerned may authorize the use of private facilities to be paid for on court order *from the special account of the Finance and Administration Cabinet*[~~by the county~~].

(2) *Upon request, the court shall permit the request for funds on behalf of the needy person be made by the defending attorney ex parte and on the record.*

(3) Any direct expense, including the cost of a transcript or bystander's bill of exceptions or other substitute for a transcript that is necessarily incurred in representing a needy person under this chapter, is a charge against the county, urban-county, charter county, or consolidated local government on behalf of which the service is performed and shall be paid from the special account established in subsection (4) of this section and in accordance with procedures provided in subsection (5) of this section. However, such a charge shall not exceed the established rate charged by the Commonwealth and its agencies.

(4) The fiscal court of each county or legislative body of an urban-county government shall annually appropriate twelve and a half cents ($0.125) per capita of the population of the county, as determined by the Council of Local Governments' most recent population statistics, to a special account to be administered by the Finance and Administration Cabinet to pay court orders entered against counties pursuant to subsection (1) *or (3)* of this section. The funds in this account shall not lapse and shall remain in the special account.

(5)[~~(3)~~] The Finance and Administration Cabinet shall pay all court orders entered pursuant to subsection (1) *or (3)* of this section from the special account until the funds in the account are depleted. If in any given year the special account including any funds from prior years is depleted and court orders entered against counties pursuant to subsection (1) *or (3)* of this section for that year or any prior year remain unpaid, the Finance and Administration Cabinet shall pay those orders from the Treasury in the same manner in which judgments against the Commonwealth and its agencies are paid.

(6) Expenses incurred in the representation of needy persons confined in a state correctional institution shall be paid from the special account established in subsection (4) of this section and in accordance with the procedures provided in subsection (5) of this section.

(7)[~~(4)~~] Only court orders entered after July 15, 1994, shall be payable from the special account administered by the Finance and Administration Cabinet or from the Treasury as provided in subsections (2) and (3) of this section.

SECTION 14. A NEW SECTION OF KRS CHAPTER 31 IS CREATED TO READ AS FOLLOWS AND TO BE NUMBERED AS KRS 31.211:

(1) Any person provided counsel under the provisions of this chapter shall be assessed at the time of appointment a nonrefundable fifty dollar ($50) administrative fee payable at the court's discretion in a lump sum or in installments. The first payment shall be accompanied by a handling fee of two dollars and fifty cents ($2.50) paid directly to the circuit clerk and deposited in a trust and agency account to the credit of the Administrative Office of the Courts. The account shall be used to assist the circuit clerks in hiring additional employees and providing salary adjustments for deputy clerks. The court shall reduce or waive the fee if the person does not have the financial resources to pay the fee. In any case or legal action, a needy person shall be assessed a total administrative fee of no more than fifty dollars ($50), regardless of the stages of the matter at which the needy person is provided appointed counsel. In the event the defendant fails to pay the fee, the fee shall be deducted from any posted cash bond or shall constitute a lien upon any property which secures the person's bail, regardless of whether the bond is posted by the needy person or another. The failure to pay the fee shall not reduce or in any way affect the rendering of public defender services to the person.

(2) At arraignment, the court shall conduct a nonadversarial hearing to determine whether a person who has requested a public defender is able to pay a partial fee for legal representation, the other necessary services and facilities of representation, and court costs. The court shall order payment in an amount determined by the court and may order that the payment be made in a lump sum or by installment payments to recover money for representation provided under this chapter. This partial fee determination shall be made at each stage of the proceedings.

(3) The administrative fee shall be in addition to any partial fee assessed by the court.

(4) All moneys received by the public advocate from indigent defendants pursuant to subsection (2) of this section shall be credited to the public advocate fund of the county in which the trial is held if the county has a plan pursuant to Section 6 of this Act or subsections (1) and (2)(a) of Section 7 of this Act which has been approved by the public advocate pursuant to Section 5 of this Act. Moneys credited to a county public advocate fund may be used only to support the public advocate program of that county.

(5) All moneys collected by the public advocate from indigent defendants pursuant to subsection (2) of this section in counties with a local public advocacy system established by the public advocate pursuant to subsection (2)(b) of Section 8 of this Act shall be credited to the Department of Public Advocacy special trust and agency account to be used to support the state public advocacy system.

(6) All moneys collected from the administrative fee shall be credited to the Department of Public Advocacy special trust and agency account to be used to support the state public advocacy system.

(7) If the administrative fee or partial fee, or any portion thereof, is not paid by the due date, the court's order is a civil

judgment subject to collection under Civil Rule 69.03 and KRS Chapter 426.

(8) If a person receives legal assistance or other benefit under this chapter to which he or she is not entitled or if a person receives legal assistance under this chapter and is financially able to pay for representation on the date the suit is brought, the public advocate, on behalf of the Commonwealth, shall recover, where practical, payment or reimbursement, as the case may be, from the person who received the legal assistance or his or her estate. Suit shall be brought within five (5) years after the date on which the aid was received.

(9) All moneys collected under this section shall be placed in a special trust and agency account for the Department of Public Advocacy, and the funds shall not lapse.

(10) Any attorney participating in a public advocacy plan shall forward all information which he or she may have which indicates that payment or reimbursement may be obtained pursuant to subsection (8) of this section.

(11) The duty of recovery contemplated by subsection (8) of this section shall extend against persons who were the custodial parents or guardians of unemancipated minors at the time these minors were deemed needy as defined in subsection (3)(c) or (3)(d) of Section 8 of this Act.

(12) The court shall order that all moneys collected pursuant to this section shall be paid to the clerk of that court pursuant to the schedule of payment. The clerk shall forward to the Department of Public Advocacy on a monthly basis a copy of all the orders or an electronic report compiled by the Administrative Office of the Courts listing those orders. Additionally, the clerk shall forward to the Department of Public Advocacy on a monthly basis an accounting of, and the moneys collected in, each case.

Section 15. KRS 31.250 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.215, to read as follows:

(1) Except for attorneys appointed pursuant to KRS 620.100, 625.041, 625.080, and 31.120, no attorney participating in a public advocacy plan shall accept any fees for the representation of any needy person as defined in this chapter from that person or anyone for his benefit and the fees for representation of that person shall be limited to the fees provided in this chapter. "Fees" shall include cash, property, or other pecuniary benefits of any kind.

(2) Any attorney participating in a public advocacy plan who receives or attempts to collect a fee from a needy person as prohibited by subsection (1) above shall be guilty of a Class D felony.

Section 16. KRS 31.115 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.219, to read as follows:

(1) It shall be the duty of the attorney representing a client under any public advocacy plan to perfect an appeal if his client requests an appeal.

(2) After the attorney has filed a notice of appeal as required by the Rules of Criminal Procedure, he shall forward to the Department of Public Advocacy a copy of the final judgment, the notice of appeal, a statement of any errors committed in the trial of the case which should be raised on appeal, and a designation of that part of the record that is essential to the appeal.

(3) No attorney participating in any public advocacy plan shall be compensated for his services until he has perfected an appeal for a client who requests an appeal and has filed the information required in subsection (2) of this section.

(4) Any public advocacy attorney who is representing a client on appeal who after a conscientious examination of said appeal believes the appeal to be wholly frivolous after careful examinations of the record may request the court to which the appeal has been taken for permission to withdraw from the case. The attorney must file with that request a brief which sets forth any arguments which might possibly be raised on appeal. A copy of the request for permission to withdraw and the brief must be served upon the client in sufficient time so that the client may raise any argument he chooses to raise.

Section 17. KRS 31.220 is amended to read as follows:

This chapter applies only to representation in the courts of this state, except that it does not prohibit a defending attorney from representing a needy person in a federal court of the United States, if:

(1) The matter arises out of or is related to an action pending or recently pending in a court of criminal jurisdiction of the state; or

(2) Representation is under a plan of the United States District Court as required by the Criminal Justice Act of 1964 (18 U.S.C. 3006A)~~[and is approved by the fiscal court]~~.

Section 18. KRS 31.070 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.235, to read as follows:

If a court, after finding that the Department of Public Advocacy fails to provide an attorney to a person eligible for representation under KRS Chapter 31, appoints, under the court's inherent authority, an attorney to provide representation to the needy person, the public advocate is hereby authorized to pay reasonable and necessary fees and expenses subject to the following limitations:

(1) No fee shall be paid in excess of the prevailing maximum fee per attorney paid by the Department of Public Advocacy for the type of representation provided, and no hourly rate shall be paid in excess of the prevailing hourly rate paid by the Department of Public Advocacy for the type of representation provided; and

(2) Each fee plus expenses incurred in the defense shall be presented by the defense attorney to the Circuit Judge who shall review the fee and expenses request and shall approve, deny, or modify the amount of compensation and fee listed therein. After final approval of the fee and expenses the Circuit Judge shall, if state compensation is desired, certify the amount and transmit the document to the public advocate who shall review the fee and expense request and shall approve, deny, or modify the request. The request as approved or modified shall then be paid. Requests for payment of assigned counsel by the state shall be denied if the district has exceeded the amount of funds which may be allotted to it, if the district plan has not been approved, or if the public advocate finds that compensation is otherwise not warranted. The decision of the public advocate in all matters of fee and expense compensation shall be final.

Section 19. KRS 31.230 is repealed and reenacted as a new section of KRS Chapter 31, to be numbered as KRS 31.241, to read as follows:

The protections provided by this chapter do not exclude any protection or sanction that the law otherwise provides.

Section 20. KRS 18A.195 is amended to read as follows:

(1) A state employee who is authorized to work one (1) or more hours in excess of the prescribed hours of duty shall be granted compensatory leave on an hour-for-hour basis. Upon the written request of an employee who is not exempt from the provisions of the Federal Fair Labor Standards Act, 29 U.S.C. sec. 201 et seq., an appointing authority may grant compensatory time, in lieu of overtime pay, at the rate of one and one-half (1.5) hours for each hour the employee is authorized to work in excess of forty (40) hours in a work week. An employee who is transferred or otherwise changed from the jurisdiction of one agency to another shall retain his compensatory leave in the receiving agency.

(2) Any employee who leaves state service shall be paid for the balance of unused compensatory time.

(3) Attorneys in the Department of Public Advocacy who accumulate two hundred forty (240) hours of compensatory leave shall not be paid for fifty (50) hours at the regular rate of pay but shall have fifty (50) hours converted to sick leave.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes the students, faculty, and parents of Peaks Mill Elementary School for the phenomenal courage and tenacity that each has displayed following the tragic fire that ravaged the school's entire second floor, effectively forcing teachers and staff to abandon school services in an effort to clean up and repair damages and to assess the school's safety for the many children who study there. Despite the fact that the school suffered tremendous losses, including its beloved library which sustained irreparable damage and the many classrooms and class materials which were harmed by either fire or smoke; and despite the fact that the school was in the process of finishing its last year in its current building to make way for a new and more modern structure, these brave citizens and scholars persevered with great success, resuming classes within only one week of the disaster in temporary classrooms erected in the school gym and cafeteria and on the ball field adjacent to the school. As the community of Peaks Mill, Kentucky, unites in support of those students, faculty members, and parents who have endured the poignant loss of this school which was so dearly cherished by all associated with it, the members of this august body are honored to join with Representative Joe Barrows and Representative Gippy Graham in offering sincerest condolences for their loss and in extending best wishes to all those who have contributed to the rich history and celebrated success of Peaks Mill Elementary School and who will continue to work on its behalf and in fine service of the youth of this Commonwealth. Done in Frankfort, Kentucky, this seventh day of February, in the year two thousand and two.

(3) Defense may be made to the petition by any inhabitant of the proposed city, and if defense is made, the court shall hear and determine the same, and render a judgment establishing or refusing to establish a city, as may seem proper.

(4) If the court renders judgment granting the petition, the order shall set out the name of the city, ***the organizational structure of the municipal government,*** a metes and bounds description of its boundaries, the population contained therein and the class to which the city shall be assigned by reason of its population. The order shall appoint the officers appropriate to the class of the new city, who shall hold their respective offices until the next regular election at which city officers are elected, at which time officers shall be elected by the residents of the new city.

(5) Whenever any city shall be established in the manner above provided, the court shall in the judgment direct the clerk of the court wherein such judgment is entered to, not later than ten (10) days thereafter, certify a copy thereof to the ***Department for Local Government and the*** Secretary of State, whose duty it shall be to properly index and file the same as a permanent record in his office.

Section 5. KRS 83A.060 is amended to read as follows:

(1) Each ordinance shall embrace only one (1) subject and shall have a title that shall clearly state the subject.

(2) Each ordinance shall be introduced in writing and shall have an enacting clause styled "Be it ordained by the City of ...."

(3) No ordinance shall be amended by reference to its title only, and ordinances to amend shall set out in full the amended ordinance or section indicating any words being added by a single solid line drawn underneath them, and any words being deleted by a single broken line drawn through them.

(4) Except as provided in subsection (7) of this section, no ordinance shall be enacted until it has been read on two (2) separate days. The reading of an ordinance may be satisfied by stating the title and reading a summary rather than the full text.

(5) A city legislative body may adopt the provisions of any local, statewide, or nationally recognized standard code and codifications of entire bodies of local legislation by an ordinance that identifies the subject matter by title, source, and date and incorporates the adopted provisions by reference without setting them out in full, if a copy accompanies the adopting ordinance and is made a part of the permanent records of the city.

(6) Unless otherwise provided by statute, a majority of a legislative body shall constitute a quorum and a vote of a majority of a quorum shall be sufficient to take action.

(7) In an emergency, upon the affirmative vote of two-thirds (2/3) of the membership, a city legislative body may suspend the requirements of second reading and publication to provide for an ordinance to become effective by naming and describing the emergency in the ordinance. Publication requirements of subsection (9) of this section shall be complied with within ten (10) days of the enactment of the emergency ordinance.

(8) Every action of the city legislative body shall be made a part of the permanent records of the city and on passage of an ordinance the vote of each member of the city legislative body shall be entered on the official record of the meeting. The legislative body shall provide by ordinance for the maintenance and safekeeping of the permanent records of the city. The person assigned this responsibility and the presiding officer shall sign the official record of each meeting. All ordinances adopted in a city shall, at the end of each month, be indexed and maintained in the following manner:

- (a) The city budget, appropriations of money, and tax levies shall be maintained and indexed so that each fiscal year is kept separate from other years.
- (b) All other city ordinances shall be kept in the minute book or an ordinance book in the order adopted and indexed in a composite index or maintained in a code of ordinances.

(9) Except in cities of the first class, a charter county government, and as provided in subsection (7) of this section, no ordinance shall be effective until published pursuant to KRS Chapter 424. Ordinances may be published in full or in summary as designated by the legislative body. If the legislative body elects to publish an ordinance in summary, the summary shall be prepared ***under the supervision of***[~~and certified by~~] an attorney licensed to practice law in the Commonwealth of Kentucky and shall include the following:

- (a) The title of the ordinance;
- (b) A brief narrative setting forth the main points of the ordinance in a way reasonably calculated to inform the public in a clear and understandable manner of the meaning of the ordinance; and
- (c) The full text of each section that imposes fines, penalties, forfeitures, taxes, or fees.

Ordinances that include descriptions of real property may include a sketch, drawing, or map, including common landmarks, such as streets or roads in lieu of metes and bounds descriptions.

(10) A city may specify by ordinance additional requirements for adoption of ordinances in greater detail than contained herein, but a city shall not lessen or reduce the substantial requirements of this section or any other statute relating to adoption of ordinances.

(11) At least once every five (5) years, each city shall cause all ordinances in the composite index or code of ordinances to be examined for consistency with state law and with one another and to be revised to eliminate redundant, obsolete, inconsistent, and invalid provisions.

(12) The legislative body may adopt municipal orders. Orders shall be in writing and may be adopted only at an official meeting. Orders may be amended by a subsequent municipal order or ordinance. All orders adopted shall be maintained in an official order book.

(13) In lieu of an ordinance, a municipal order may be used for matters relating to the internal operation and functions of the municipality and to appoint or remove or approve appointment or removal of members of boards, commissions, and other agencies over which the city has control.

(14) All ordinances, and orders of the city may be proved by the signature of the city clerk; and***,*** when the ordinances are placed in a printed composite index or code of ordinances by authority of the city, the printed copy shall be received in evidence by any state court without further proof of the ordinances.

(15) For anything said in debate, legislative body members shall be entitled to the same immunities and protections allowed to members of the General Assembly.

Section 6. KRS 147A.025 is amended to read as follows:

(1) [~~Except as provided in subsection (7) of this section,~~]The Department for Local Government with the advice and approval of the state local finance officer annually shall conduct a program to instruct county clerks, sheriffs, jailers, and county treasurers respecting their duties and responsibilities in the collection and expenditure of public moneys, subject to their control and jurisdiction.

(4) The commissioner of the department with the advice and approval of the state local finance officer may prescribe completion standards for this program, and may, subject to subsection (6) of this section, establish the number, type and sequence of instructional sessions to be conducted by the department; but the commissioner of the department shall not require the attendance of any county official, nor shall he prescribe any requirement or standard that restricts or impairs a county official or elected candidate in the lawful pursuit or conduct of the office to which he is elected.

(5) The department shall notify in advance each county clerk, sheriff, jailer, and county treasurer respecting instructional session pertinent to his office. Notification shall be by mail, and it shall be posted no later than twenty-one (21) days prior to the instructional session. At a minimum, the notice shall give the date, time, place and title of the instruction session.

(6) The department shall conduct this program by providing a one (1) day session at various locations throughout this state in order to minimize the travel expenses of those officials attending, provided that the aggregate number of all sessions shall not exceed five (5) during any calendar year.[~~ Except as provided in subsection (7) of this section,~~] The department may commence instruction anytime during a calendar year.

(7) [~~The department shall not conduct a program as provided by this section during any calendar year when a general election is held for every constitutional county office. The department, however, shall commence instruction for the succeeding year within eighty (80) days following said general election.~~

~~(8)~~] Every county official who attends an instructional session shall be paid his actual and necessary expenses in attending from the operating funds of his office.

(8)[~~(9)~~] In fulfilling the requirements of this section, the department shall confer with and coordinate its duties and responsibilities with the Finance and Administration Cabinet, the Revenue Cabinet and the Auditor of Public Accounts. The department shall also confer with those state universities whose mission statements mandate their participation in the training of public officials, the state associations for those officials listed in subsection (1) of this section, and the Kentucky Association of Counties, respecting the implementation of this section.

The absentee ballot application shall be restricted to the use of the voter or the spouse, parents, or children of the voter. Except for qualified voters who apply pursuant to the requirements of KRS 117.075 and 117.077, and those who are incarcerated in jail but have yet to be convicted and persons who qualify under subparagraph 5. of paragraph (a) of this subsection, no absentee ballots shall be mailed to a voter who resides within the county in which he is registered. In the case of ballots returned by mail, the county clerk shall provide an absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting to a voter who presents a completed application for an absentee ballot as provided in this section and who is properly registered as stated in his application.

3. Students who temporarily reside outside the county of their residence and other voters who temporarily reside outside the state but who are still eligible to vote in this state;
4. Persons who are incarcerated in jail who have been charged with a crime but have not been convicted of the crime; and
5. Persons who are prevented from voting in person at the polls on election day and from casting an absentee ballot in person in the county clerk's office on all days absentee voting is conducted prior to election day because their employment location requires them to be absent from the county all hours and all days absentee voting is conducted in the county clerk's office.

(b) Residents of Kentucky who are members of the Armed Forces, dependents of members of the Armed Forces, and overseas citizens, may apply for an absentee ballot by means of the federal post-card application, which may be transmitted to the county clerk's office by mail or by facsimile machine. The application may be used to register, reregister, and to apply for an absentee ballot. If the federal post-card application is received at any time not less than seven (7) days before the election, the county clerk shall affix his seal to the application form upon receipt.

(c) Any other qualified voter in the county who is not permitted to vote by absentee ballot under paragraph (a) of subsection (1) of this section who shall be absent from the county on any election day may, at any time during normal business hours on at least any of the twelve (12) working days before the election, make application in person to the county clerk to vote on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. The application form for those persons shall be prescribed by the State Board of Elections and, in the case of application by precinct election officers, shall contain a verification of appointment signed by a member of the county board of elections. If an alternate precinct election officer or a precinct election officer appointed to serve in a precinct other than that in which he is registered receives his appointment while absentee voting is being conducted in the county, such officer may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, up to the close of normal business hours on the day before the election. In case of such voters, the verification of appointment shall also contain the date of appointment. The applications shall be restricted to the use of the voter only.

(e) Any pregnant woman who is in her last trimester of pregnancy at the time she wishes to vote under this paragraph may vote on a voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections. She may vote at any time during business hours on at least any of the twelve (12) working days before the election up to the close of business hours on the day before the election. The application form for those persons shall be prescribed by the State Board of Elections, which shall contain the woman's sworn statement that she is in fact in her last trimester of pregnancy at the time she wishes to vote, and shall be made in person to the county clerk, at any time during any of the twelve (12) working days before the election. A county board of elections may permit absentee voting to be conducted on a voting machine for a period longer than the twelve (12) working days before the election as prescribed above.

(f) The members of the county board of elections or their designees who provide equal representation of both political parties may serve as precinct election officers, without compensation, for all absentee voting performed on a voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. If the members of the county board of elections or their designees serve as precinct election officers for the absentee voting, they shall perform the same duties and exercise the same authority as precinct election officers who serve on the day of an election. If the members of the county board of elections or their designees do not serve as precinct election officers for the absentee voting, the county clerk or deputy county clerks shall supervise the absentee voting.

(g) Any individual qualified to appoint challengers for the day of an election may also appoint challengers to observe all absentee voting performed at the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and those challengers may exercise the same privileges as challengers appointed for observing voting on the day of an election at a regular polling place.

(2) The clerk shall type the name of the voter permitted to vote by absentee ballot on the application form for that person's use and no other. The absentee ballot application form shall be in the form prescribed by the State Board of Elections, shall bear the seal of the county clerk, and shall contain the following information: name, residential address, precinct, party affiliation, statement of the reason the person cannot vote in person on election day, statement of where the voter shall be on election day, statement of compliance with residency requirements for voting in the precinct, and the voter's mailing address for an absentee ballot. The form shall be verified and signed by the voter. A notice of the actual penalty provisions in KRS 117.995(2) and (5) shall be printed on the application.

(3) If the county clerk finds that the voter is properly registered as stated in his application and qualifies to receive an absentee ballot by mail, he shall mail to the voter an absentee ballot, two (2) official envelopes for returning the ballot, and instructions for voting. The county clerk shall complete a postal form for a certificate of mailing for ballots mailed within the fifty (50) states, and it shall be stamped by the postal service when the ballots are mailed. An absentee ballot may be transmitted by facsimile machine to a resident of Kentucky who is a member of the Armed Forces, a dependent of a member of the Armed Forces, or a citizen residing overseas.

(4) Absentee ballots which are requested prior to the printing of the ballots shall be mailed by the county clerk to the voter within three (3) days of the receipt of the printed ballots; and absentee ballots which are requested subsequent to the receipt of the ballots by the county clerk shall be mailed to the voter within three (3) days of the receipt of the request.

(5) The clerk shall cause ballots to be printed fifty (50) days prior to each primary or general election[~~ and fifteen (15) days prior to each runoff primary~~].

(6) The outer envelope shall bear the words "Absentee Ballot" and the address and official title of the county clerk and shall provide space for the voter's signature, voting address, and precinct number. A detachable flap on the inner envelope shall provide space for the voter's signature, voting address, precinct number, and notice of penalty provided in KRS 117.995(5). The clerk shall type the voter's address and precinct number in the upper left hand corner of the outer envelope and of the detachable flap on the inner envelope immediately below the blank space for the voter's signature. The inner envelope shall be blank. The clerk shall retain the application and the postal form required by subsection (3) of this section for twenty-two (22) months after the election.

(7) Any person who has received an absentee ballot by mail but who knows at least seven (7) days before the date of the election that he will be in the county on election day and who has not voted pursuant to the provisions of KRS 117.086 shall cancel his absentee ballot and vote in person. He shall return his absentee ballot to the county clerk's office no later than seven (7) days prior to the date of the election. Upon the return of the absentee ballot, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Canceled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent absentee ballots, and the voter may vote in the precinct in which he is properly registered.

Section 4. KRS 117.275 is amended to read as follows:

(1) At the count of the votes in any precinct, any candidate or slate of candidates and any representatives to witness and check the count of the votes therein, who are authorized to be appointed as is provided in subsection (7) of this section, shall be

admitted and be permitted to be present and witness the count.

(2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever, mechanism or other device of the voting equipment so that the voting and counting mechanism will be prevented from operation, and they shall sign a certificate stating:

(a) That the voting equipment has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;

(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting equipment, which certificate shall be returned by the judges of election to the officials authorized by law to receive it. The judges shall compare the number of voters, as shown by the counter of the voting equipment, with the number of those who have voted as shown by the protective or accumulative counter or device, if any.

(3) Where voting equipment is used which does not print the candidates' names, lever numbers, and total votes received on a general return sheet or record for that equipment, the procedure to be followed shall be: the judges, in the presence of the representatives mentioned in subsection (1) of this section, if any, and of all other persons who may be lawfully within the polling place, shall make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the counters, giving full view of all the counter numbers. The judges shall, under the scrutiny of the representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate or slate of candidates and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the election officers. The total votes cast for each candidate, and slate of candidates, and for and against each question, shall be entered on the general and quadruplicate return sheets and statement. The proclamation of the result of the votes cast shall be announced distinctly and audibly by one (1) of the judges, who shall read the name and the vote cast for each candidate, and slate of candidates, and the vote for and against each question submitted. During the proclamation, ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the voting equipment, and any necessary corrections shall be made by the judges, and the door or other cover of the voting equipment shall then be closed and locked.

(4) If any officer shall decline to sign the return, he shall state his reason in writing, and a copy thereof, signed by him, shall be enclosed with the return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the officers shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and the write-in roll, if any write-in votes were cast in the precinct, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties, but a local governing body of a dominant political party may decline a copy of the precinct election return by filing a written declination with the county board of elections prior to the election, and upon this declination, a printed copy shall not be issued to the political party so declining. The declination on file shall be effective for that election and any subsequent elections until revoked by the local governing body of a dominant political party by filing a written revocation with the county board of elections. The envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes and write-in votes, the county board shall mail the tabulation sheets showing the results from each precinct to the State Board of Elections and the county clerk shall mail or deliver the precinct lists from each precinct to the State Board of Elections.

(5)[~~In primary elections at which each party's slates of candidates seeking the nomination of their parties for Governor and Lieutenant Governor are voted on, the Secretary of State, upon receiving the certified results of voting from each county's precincts for those offices, shall determine whether a runoff primary shall be necessary for either or both parties pursuant to KRS 118.245. The Secretary of State shall, within twenty-four (24) hours of making his determination, inform the affected slates of candidates, the county clerks, the county boards of elections, the State Board of Elections, the Registry of Election Finance, and the news media of his determination, and the date of the runoff primary, which shall be subject to change if an election contest or vote recount shall be requested.~~

~~(6)~~] As soon as possible after the completion of the count, the two (2) judges shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6)[~~(7)~~] In primary elections, each candidate, slate of candidates, or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate, or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The county board of

elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7)[~~(8)~~] If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The two (2) judges shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots, and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the Secretary of State. The county board of elections shall authorize the candidates, slates of candidates, or their representatives, and representatives of the news media to be present during the counting of the paper ballots. Except as otherwise required in this chapter that certain records and papers relating to specified elections be retained for twenty-two (22) months, the county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be destroyed in a manner to render them unreadable by the county board of elections if no contest or recount action has been filed.

Section 5. KRS 117.295 is amended to read as follows:

(1) For a period of ten (10) days following any primary election, and for a period of thirty (30) days following any general or special election, the voting machine shall remain locked against voting, except that it may be opened and all the data and figures therein examined, upon the order of any court of competent jurisdiction, or judge thereof, or by direction of any legislative committee authorized and empowered to investigate and report upon contested elections affected by the use of a voting machine, and all the data and figures shall be examined by the court, judge or committee in the presence of the officer having the custody of the machine. In the event of a contest of election, the court in which the contest is pending or the committee before which the contest is being heard may, upon motion of any party to the contest, issue an order requiring that the voting machines shall remain continuously locked for further time as may be reasonable or necessary, with due regard for the preparation of the machines for a succeeding primary,[~~ runoff primary,~~] regular, or special election, but in no event shall the order compel that the machines remain locked to a time within thirty (30) days next preceding any approaching primary,[~~ runoff primary,~~] regular, or special election.

(2) During the period when the machine is required to be kept locked, the keys thereto shall remain in the possession of the county board of elections. After that period, it shall be the duty of the county board of elections to return the keys to the custody of the county clerk.

Section 6. KRS 118.025 is amended to read as follows:

(1) Except as otherwise provided by law, voting in all elections shall be by secret ballot on voting machines.

(2) The general laws applying to regular, special, ***and*** primary[~~, and runoff primary~~] elections shall apply to elections conducted with the use of voting machines, and all provisions of the general laws applying to the custody of ballot boxes shall apply, as far as applicable, to the custody of the voting machine.

(3) Primary elections for the nomination of candidates or slates of candidates to be voted for at the next regular election shall be held on the first Tuesday after the fourth Monday in May of each year.

(4) [~~A runoff primary shall be held thirty-five (35) days after the date of the May primary, if it shall be necessary, pursuant to KRS 118.245, unless that date falls on a holiday; in that case, a runoff primary shall be held on the succeeding Tuesday. However, if either a primary election is contested or a recount of the votes cast in a primary is requested, a runoff primary shall be held on the first Tuesday following the thirty fifth day following the conclusion of any contest proceeding or recount, if it shall be necessary, unless that date falls on a holiday; in that case, a runoff primary shall be held on the succeeding Tuesday.~~]The election of all officers of all governmental units shall be held on the first Tuesday after the first Monday in November.

(5) If the law authorizes the calling of a special election on a day other than the day of the regular election in November, the election shall be held on a Tuesday.

(6) If the law requires that a special election be held within a period of time during which the voting machines must be locked as required by KRS 117.295, the special election shall be held on the fourth Tuesday following the expiration of the period during which the voting machines are locked.

Section 7. KRS 118.035 is amended to read as follows:

(1) The polls shall be opened on the day of a primary,[~~ runoff primary,~~] special election, or regular election at 6 a.m., prevailing time, and shall remain open until each voter who is waiting in line at the polls at 6 p.m., prevailing time, has voted. At 6 p.m., prevailing time, if voters are waiting at the polls to vote, the precinct election sheriff shall announce that a voter wishing to vote must immediately get in line. When all voters waiting at the polls at that time are in line, the precinct election sheriff shall then determine which voter is the last in line, and that voter shall be the last voter permitted to vote. The precinct election sheriff shall wait in line with the last voter who shall be permitted to vote until that voter has voted and shall inform a voter who subsequently arrives at the polls that no one shall be permitted to vote after the last voter in line at 6 p.m., prevailing time. After the last voter waiting in line at 6 p.m., prevailing time, has voted, the polls

shall then be closed.

(2) As provided in Section 148 of the Constitution of Kentucky, any person entitled to a vote at any election in this state shall, if he has made application for leave prior to the day he appears before the county clerk to request an application for or to execute an absentee ballot, be entitled to absent himself from any services or employment in which he is then engaged or employed for a reasonable time, but not less than four (4) hours on the day he appears before the clerk to request an application for or to execute an absentee ballot, during normal business hours of the office of the clerk or to cast his ballot on the day of the election between the time of opening and closing the polls. The employer may specify the hours during which an employee may absent himself.

(3) No person shall be penalized for taking a reasonable time off to vote, unless, under circumstances which did not prohibit him from voting, he fails to vote. Any qualified voter who exercises his right to voting leave under this section but fails to cast his vote, under circumstances which did not prohibit him from voting, may be subject to disciplinary action.

(4) Any person selected to serve as an election officer shall be entitled to absent himself from any services or employment in which he is then engaged or employed for a period of an entire day to attend training or to serve as an election officer. The person shall not, because of so absenting himself, be liable to any penalty. The employer may specify the hours during which the employee may absent himself. No person shall refuse an employee the privilege hereby conferred, or discharge or threaten to discharge an employee or subject an employee to a penalty, because of the exercise of the privilege.

Section 8. KRS 118.215 is amended to read as follows:

(1) After the order of the names has been determined as provided in KRS 118.225, the Secretary of State shall certify, to the county clerks of the respective counties entitled to participate in the nomination or election of the respective candidates, the name, place of residence, and party of each candidate or slate of candidates for each office, as specified in the nomination papers or certificates and petitions of nomination filed with him, and shall designate the device with which the candidate groups, slates of candidates, or lists of candidates of each party shall be printed, in the order in which they are to appear on the ballot, with precedence to be given to the party that polled the highest number of votes at the preceding election for presidential electors, followed by the political party which received the second highest number of votes, with the order of any other political parties and independents to be determined by lot. Candidates for county offices and local state offices shall be listed in the following order: Commonwealth's attorney, circuit clerk, property valuation administrator, county judge/executive, county attorney, county clerk, sheriff, jailer, county commissioner, coroner, justice of the peace, and constable. The names of candidates for President and Vice President shall be certified in lieu of certifying the names of the candidates for presidential electors. The names shall be certified as follows:

(a) Not later than the second Monday after the filing deadline for the primary;

(b)[~~Not less than twenty-five (25) days before a runoff primary;~~

~~(c)~~] Not later than the second Monday after the filing deadline for the general election, except as provided in paragraph c[~~(d)~~] of this subsection; and

The order in which independent candidates or slates of candidates shall appear on the ballot shall be determined by lot by the county clerk. If the same device is selected by two (2) groups of petitioners, it shall be given to the first selecting it and the county clerk shall permit the other group to select a suitable device. This section shall not apply to candidates for municipal offices which come under subsection (3) of this section.

(3) The ballots used at any election in which city officers are to be elected as provided in subsection (2) of this section shall contain the names of candidates for the city offices grouped according to the offices they seek, and the candidates shall be immediately arranged with and designated by the title of office they seek. The order in which the names of the candidates for each office are to be printed on the ballot shall be determined by lot. Each group of candidates for each separate office for which the candidates are to be elected shall be clearly separated from other groups on the ballot and spaced to avoid confusion on the part of the voter.

(4) The Secretary of State shall not knowingly certify to the county clerk of any county the name of any candidate or slate of candidates who has not filed the required nomination papers, nor knowingly fail to certify the name of any candidate or slate of candidates who has filed the required nomination papers.

(5) If the county clerk determines that the number of certified candidates or slates of candidates cannot be placed on a ballot which can be accommodated by the voting machines currently in use by the county, he shall so notify the State Board of Elections not later than the last Tuesday in February preceding the primary or the last Tuesday in August preceding the general election. The State Board of Elections shall meet within five (5) days of the notice, review the ballot conditions, and determine whether supplemental paper ballots are necessary for the election. Upon approval of the State Board of Elections, supplemental paper ballots may be used for nonpartisan candidates or slates of candidates for an office or offices

and public questions submitted for a yes or no vote. All candidates or slates of candidates for any particular office shall be placed either on the machine ballot or on the paper ballot.

(6) The ballot position of a candidate or slate of candidates shall not be changed after the ballot position has been designated by the county clerk.

Section 9. KRS 118.225 is amended to read as follows:

(1) For the purpose of determining the order in which the names of candidates or slates of candidates to be voted for by the electors of the entire state shall be certified and printed on the ballots with the designation of the respective offices, the Secretary of State shall prepare lists of the counties of each congressional district of the state. He shall arrange the surnames of all candidates or slates of candidates for each office in alphabetical order for the First Congressional District, and the names shall be certified in this order to the county clerks of all the counties comprising that district. For each succeeding congressional district, taken in numerical order, the name appearing first for each office in the last preceding district shall be placed last, and the name appearing second in the last preceding district shall be placed first, and each other name shall be moved up one (1) place. The lists shall be certified accordingly.

(2) For all other offices for which nomination papers and petitions are filed with the Secretary of State, the order of names of candidates for each office shall be determined by lot at a public drawing to be held in the office of the Secretary of State at 2 p.m., standard time, on the Thursday following the last Tuesday in January preceding the primary~~[, twenty six (26) days before a runoff primary,]~~ or the Thursday following the second Tuesday in August preceding the general election.

(3) For all offices for which nomination papers and petitions are filed in the office of the county clerk, the order in which the names of candidates for each office are to be printed on the ballot shall be determined by lot at a public drawing in the office of the county clerk at 2 p.m., standard time, on the Thursday following the last Tuesday in January before the primary or the Thursday following the second Tuesday in August preceding the general election.

(4) If the number of certified candidates or slates of candidates cannot be placed on a ballot which can be accommodated on voting machines currently in use in the county, the county clerk shall notify the State Board of Elections, as provided in KRS 118.215.

(2) Except as provided in KRS 121.180(10), the solicitation from and contributions by campaign committees, political issues committees, permanent committees, and party executive committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good is expressly prohibited; except that it shall not be construed as a violation of this section for a candidate to contribute to religious, civic, or charitable groups.

(3) No candidate, slate of candidates, committee, or contributing organization, nor anyone acting on their behalf, shall accept any anonymous contribution in excess of fifty dollars ($50), and all anonymous contributions in excess of fifty dollars ($50) shall be returned to the donor, if the donor can be determined. (12) No person shall make a payment, distribution, loan, advance, deposit, or gift of money to another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf. No candidate, committee, contributing

organization, nor anyone on their behalf shall accept a contribution made by one (1) person who has received a payment, distribution, loan, advance, deposit, or gift of money from another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf.

No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(16)[~~(17)~~] Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(17)[~~(18)~~] Nothing in subsections (14) to *(16)*[~~(17)~~] of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(18)[~~(19)~~] The provisions of subsections (14) and *(15)*[~~(16)~~] of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of ***subsection (16)***[~~subsections (15) and (17)~~] of this section shall apply only to those candidates or slates of candidates in a[~~ runoff primary or~~] special election which shall be conducted subsequent to January 1, 1993.

(19)[~~(20)~~] A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, runoff primary election, regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with KRS 121.180.

(20)[~~(21)~~] No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(21)[~~(22)~~] No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(22)[~~(23)~~] Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(23)[~~(24)~~] In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the twenty-eight (28) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(24)[~~(25)~~] No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(25)[~~(26)~~] (a) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed fifty percent (50%) of the total contributions accepted by the candidate in any one (1) election or ten thousand dollars ($10,000) in any one (1) election, whichever is the greater amount. The percentage of the total contributions or dollar amounts of

contributions accepted by a candidate in an election that is accepted from permanent committees shall be calculated as of the day of each election. Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than sixty (60) days following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than sixty (60) days after the end of the election, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(b) The provisions of paragraph (a) of this subsection regarding the receipt of aggregate contributions from permanent committees in any one (1) election shall also apply separately to the receipt of aggregate contributions from executive committees of any county, district, state, or federal political party in any one (1) election.

For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary,~~[runoff primary,]~~ regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. (b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars ($1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary,~~[runoff primary,]~~ regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline.~~[For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election.]~~ For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election,~~[or runoff primary, if one is held,]~~ except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

(d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.

(e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.

(f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.

(g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

(j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.

(k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

(l) 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars ($500) plus the amount by which the spending limit was exceeded.

2. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate, slate of candidates, campaign committee, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that knowingly accepts contributions or makes expenditures in excess of the applicable spending limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and shall be guilty of a Class D felony.

If an individual gives a reportable contribution to a state or county executive committee with the intention that the contribution or a portion of the contribution go to a candidate or slate of candidates, the name of the contributor and the sum shall be indicated on the committee report. The receipts and expenditures of funds remitted to each political party under KRS 141.071 to 141.073 shall be separately accounted for and reported to the registry in the manner required by KRS 121.230. The separate report may be made a separate section within the report required, by this subsection, to be in the hands of the registry or postmarked within five (5) days after the thirtieth day following each regular election.

(3) (a) Except for candidates or slates of candidates, campaign committees, or political issues committees exempted from reporting requirements pursuant to subsection (1) of this section, each campaign treasurer of a candidate, slate of candidates, campaign committee, or political issues committee who accepts contributions or expends, expects to accept contributions or expend, or contracts to expend more than three thousand dollars ($3,000) in any one (1) election, and each fundraiser who secures contributions in excess of three thousand dollars ($3,000) in any one (1) election, shall make a full report to the registry, on a form provided or using a format approved by the registry, of all money, loans, or other things of value, received from any source, and expenditures authorized, incurred, and made, since the date of the last report, including:

(5) In making the preceding reports, the total gross receipts from each of the following categories shall be listed: proceeds from the sale of tickets for events such as testimonial affairs, dinners, luncheons, rallies, and similar fundraising events, mass collections made at the events, and sales of items such as campaign pins, buttons, hats, ties, literature, and similar materials. The lists shall be maintained by the campaign treasurer, political issues committee treasurer, registered fundraiser, or other sponsor for inspection by the registry for six (6) years following the date of the election.

(6) Each permanent committee, except a federally registered out-of-state permanent committee, inaugural committee, or contributing organization shall make a full report to the registry, on a form provided or using a format approved by the registry, of all money, loans, or other things of value, received by it from any source, and all expenditures authorized, incurred, or made, since the date of the last report, including:

(d) A complete statement of all expenditures authorized, incurred, or made, including independent expenditures. This report shall be made by a permanent committee, inaugural committee, or contributing organization to the registry on the last day of the first calendar quarter following the registration of the committee with the registry and on the last day of each succeeding calendar quarter until such time as the committee terminates. A contributing organization shall file a report of contributions received and expenditures on a form provided or using a format approved by the registry not later than the last day of each calendar quarter in which contributions are received or expenditures are made. All reports to the registry shall be postmarked or received not later than five (5) days after each filing deadline.

(7) If the final statement of a candidate, campaign committee, or political issues committee shows an unexpended balance of contributions, continuing debts and obligations, or an expenditure deficit, the campaign treasurer shall file with the registry a supplemental statement of contributions and expenditures not more than thirty (30) days after the deadline for filing the

final statement. Subsequent supplemental statements shall be filed annually, to be received by the registry or postmarked not later than ten (10) days after November 1 of each year, until the account shows no unexpended balance, continuing debts and obligations, expenditures, or deficit, or until the year before the candidate seeks to appear on the ballot for the same office for which the funds in the campaign account were originally contributed, in which case the candidate shall file the supplemental annual report not later than ten (10) days after November 1 of that year or at the end of the first calendar quarter of that year after the candidate files his nomination papers for the next year's primary or regular election. All contributions shall be subject to KRS 121.150.

(8) All reports filed under the provisions of this chapter shall be a matter of public record open to inspection by any member of the public immediately upon receipt of the report by the registry. A duplicate paper copy of each report filed either on paper or electronically with the registry shall be filed by the candidate, slate of candidates, or committee with the county clerk in the county in which the candidate or persons running as a slate of candidates reside at the same time. County clerks shall maintain these reports for public inspection for a period of one (1) year from the date the last report is required to be filed.

(9) A candidate or slate of candidates is relieved of the duty personally to file reports and keep records of receipts and expenditures if the candidate or slate states in writing or on forms provided by the registry that:

No contributions shall be commingled with the candidate's or slated candidates' personal funds or accounts. Contributions received by check, money order, or other written instrument shall be endorsed directly to the campaign committee and shall not be cashed or redeemed by the candidate;

(b) The candidate or slate of candidates shall not make any unreimbursed expenditure for the campaign, except that this paragraph does not preclude a candidate or slate from making an expenditure from personal funds to the designated principal campaign committee, which shall be reported by the committee as a contribution received; and

(c) The waiver shall continue in effect as long as the candidate or slate of candidates complies with the conditions under which it was granted.

(10) No candidate, slate of candidates, campaign committee, political issues committee, or contributing organization shall use or permit the use of contributions or funds solicited or received for the person or in support of or opposition to a public issue which will appear on the ballot to further the candidacy of the person for a different public office, to support or oppose a different public issue, or to further the candidacy of any other person for public office; except that nothing in this subsection shall be deemed to prohibit a candidate or slate of candidates from using funds in the campaign account to purchase admission tickets for any fundraising event or testimonial affair for another candidate or slate of candidates if the amount of the purchase does not exceed one hundred dollars ($100) per event or affair. Any funds or contributions solicited or received by or on behalf of a candidate, slate of candidates, or any committee, which has been organized in whole or in part to further any candidacy for the same person or to support or oppose the same public issue, shall be deemed to have been solicited or received for the current candidacy or for the election on the public issue if the funds or contributions are solicited or received at any time prior to the regular election for which the candidate, slate of candidates, or public issue is on the ballot. Except as provided in KRS 121A.080*(5)*[~~(6)~~], any unexpended balance of funds not otherwise obligated for the payment of expenses incurred to further a political issue or the candidacy of a person shall, in whole or in part, at the election of the candidate or committee, escheat to the State Treasury, be returned pro rata to all contributors, or, in the case of a partisan candidate, be transferred to the state or county executive committee of the political party of which the candidate is a member except that a candidate, committee, or an official may retain the funds to further the same public issue or to seek election to the same office or may donate the funds to any charitable, nonprofit, or educational institution recognized under Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and any successor thereto.

(11) (a) Any publisher of newspapers or magazines, owner or lessor of billboards, or any other person, company, corporation, or business organization offering its communications or advertising services for hire to the public who receives funds for the purchase of advertising services or material, shall file with the registry a copy of the material or communication purchased which supports or opposes any slate of candidates or committee; a copy of the receipt for the funds paid; the name and address of each purchaser; and the source of the funds for the purchase if different than the purchaser.

(b) A radio or television station or network that receives funds for the purchase of advertising services or material that supports or opposes a slate of candidates or committee shall file with the registry a copy of the documentation of paid political campaign advertisements that is required to be maintained by the Federal Communications Commission, along with a cover letter from the manager of the station or network or the manager's designee.

(c) All information required to be reported by paragraphs (a) and (b) of this subsection shall be in the hands of the registry or postmarked not later than the thirtieth day following the primary[~~, runoff primary,~~] and regular elections that are held subsequent to the date that the broadcasting or printing of the advertisement occurs.

(d) The provisions of this subsection shall apply only to purchases of advertising services or material to support or oppose a slate of candidates for election to the offices of Governor and Lieutenant Governor.

(e) Notwithstanding KRS 121.990 and KRS 121A.990, penalties for violation of this subsection shall be assessed in accordance with the provisions of KRS 121.140(2).

(12) (a) For the purposes of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a candidate for a particular office, means the period of time beginning January 1 following a regular election for the office and ending December 31 following the next regular election for that office.

(b) For the purpose of this subsection, "election cycle," as applied to contributions, expenditures, or loans to support or oppose a constitutional amendment or public question which appears on the ballot, means the period of time beginning January 1 following a regular election for any state legislative office and ending December 31 following the next regular election for any state legislative office.

(c) If adequate and appropriate agency funds are available to implement this subsection, beginning on January 1, 2002, the option of electronic reporting shall be made available by the registry for all of the following:

1. Candidates for statewide office and slates of candidates that during the election cycle receive contributions or loans in the aggregate of twenty-five thousand dollars ($25,000) or more, or at any time have a balance in a campaign account or accounts in the aggregate of twenty-five thousand dollars ($25,000) or more;

2. Candidates for the General Assembly that during the election cycle receive contributions or loans in the aggregate of twelve thousand five hundred dollars ($12,500), or at any time have a balance in an aggregate of twelve thousand five hundred dollars ($12,500) or more; and

(13) Filers specified in subsection (12) of this section shall also continue to file required campaign finance reports in paper format until the registry deems it is no longer necessary. The paper copy shall continue to be the official version for audit and other legal purposes.

(14) Filers not required to file reports electronically, as set forth in this section, are strongly encouraged to do so voluntarily.

(15) The date that an electronic or on-line report shall be deemed to have been filed with the registry shall be the date on which it is received by the registry.

(16) All electronic or on-line filers shall affirm, under penalty of perjury, that the report filed with the registry is complete and accurate.

(17) Filers who submit computer disks which are not readable, cannot be copied, or are not accompanied by any requisite paper copy shall be deemed to not be in compliance with the requirements set forth in this section.

(18) No candidate is obligated to file any reports electronically.

(1) Each candidate, slate of candidates, and each committee shall, before receiving any contributions or expending any money, designate one (1) primary campaign depository for the purpose of depositing all contributions received and disbursing all expenditures made by the candidate, slate of candidates, or committee. The candidate, slate of candidates, or committee may also designate one (1) secondary depository in each county in which an election is held and in which the candidate, slate of candidates, or committee participates. Deputy campaign treasurers may make expenditures from secondary depositories but only from moneys which first have been deposited in the primary campaign depository. Only a financial institution authorized to transact business in Kentucky may be designated as a campaign depository. (2) The registry shall distribute transfers for the matching of qualifying contributions to a qualifying slate of candidates for Governor and Lieutenant Governor as provided in KRS 121A.080. The transfers shall be paid from moneys derived from appropriations made to the fund for that purpose and moneys transferred to the fund pursuant to KRS 121A.080*(5)*[~~(6)~~], 118.255(3), and 121A.015(5).

(3) The registry shall report to the General Assembly within three (3) months following an election for Governor and Lieutenant Governor the total amount of transfers from the fund paid to each qualifying slate of candidates for qualifying contributions.

(4) The registry shall preserve all receipted bills and accounts required to be kept by this chapter for a period of six (6) years.

(5) In lieu of the reporting provisions of KRS 121.180(3)(b)1., 2., and 3., all slated candidates' campaign committees, including those of slates of candidates rejecting expenditure limitations, and fundraisers for slated candidates who are registered pursuant to KRS 121.170(2), shall report all contributions and expenditures to the registry not later than five (5) days after the last day of the calendar month following the formation and registration of the committee or registration of the fundraiser and not later than five (5) days after the last day of each calendar month thereafter until the fifty-six (56) days immediately preceding the primary and regular election of a year in which a Governor and Lieutenant Governor are elected when reports shall be filed not later than three (3) days after the fifty-sixth, forty-second, twenty-eighth, and fourteenth days preceding the primary or regular election. All contributions received by a slate of candidates as of the last day of each reporting period shall be included on the report for that period regardless of whether the contributions have been deposited in the slate's campaign account.[~~ Slated candidates participating in a runoff primary and registered fundraisers for slated candidates in a runoff primary shall report all contributions and expenditures to the registry fourteen (14) days before the runoff primary.~~] All slated candidates and registered fundraisers for slated candidates shall make a report to the registry not later than thirty (30) days following any election in which they participate and shall submit additional reports every thirty (30) days thereafter until all financial obligations of the slate have been fulfilled and the candidate campaign account has been closed in lieu of the reporting provisions of KRS 121.180(4). All reports required by this subsection shall include all contributions deposited into and all expenditures paid from the candidate campaign account as of the close of business on the last day of the reporting period.

(6) After each primary[~~, each runoff primary,~~] and each regular election in a year in which a Governor and Lieutenant Governor are elected, the registry shall conduct a thorough examination and audit of the contributions to and campaign expenditures by any campaign committee of each slate of candidates and issue a separate report on each campaign committee.

(7) The registry shall promulgate administrative regulations and official forms and perform other duties necessary to

implement the provisions of this chapter.

Section 16. KRS 121A.030 is amended to read as follows:

(1) A qualifying slate of candidates for Governor and Lieutenant Governor that receives transfers from the fund may make campaign expenditures which, in the aggregate, including the expenditure of transfers from the fund, shall not exceed one million eight hundred thousand dollars ($1,800,000) in connection with a primary election campaign and one million eight hundred thousand dollars ($1,800,000) in connection with a regular election campaign, subject to the provisions of KRS 121A.080***(3) and*** (4)[~~ and (5), and three hundred thousand dollars ($300,000) in connection with a runoff primary campaign~~].

(2) The expenditure limit amounts established in subsection (1) of this section shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(3) No qualifying slate of candidates for Governor and Lieutenant Governor that receives a transfer from the fund or that is otherwise subject to expenditure limitations shall exceed the expenditure limitations of subsection (1) of this section through an additional reported or unreported expenditure by any person, committee, or contributing organization which does not qualify as an independent expenditure.

(4) A slate of candidates for Governor and Lieutenant Governor that has filed a statement of intent to accept transfers from the fund and abide by the maximum expenditure limit that was not rescinded pursuant to KRS 121A.040(4) may receive contributions from permanent committees which, in the aggregate, shall not exceed twenty-five percent (25%) of the qualifying contributions received by the slate of candidates in any one (1) election. A slate of candidates that has filed a statement of intent to reject transfers from the fund and not abide by the maximum expenditure limit or one that has rescinded a statement of intent to accept transfers from the fund pursuant to KRS 121A.040(4) may receive contributions from permanent committees which, in the aggregate, shall not exceed twenty-five percent (25%) of the qualifying contributions received by the slate of candidates in any one (1) election up to a maximum of one hundred fifty thousand dollars ($150,000) in any one (1) election.

(5) No slate of candidates for Governor and Lieutenant Governor shall knowingly accept any other campaign contribution during the twenty-eight (28) days immediately preceding a primary or regular election[~~ and during the fourteen (14) days immediately preceding a runoff primary~~] except:

(a) A qualifying slate of candidates that has elected to become eligible for fund transfers or who may in the future elect to become eligible for fund transfers shall be released from expenditure limitations following a certification by the registry pursuant to KRS 121A.080***(3) or*** (4)[~~ or (5)~~] that a slate of candidates that has not elected to become eligible for fund transfers has received contributions or made expenditures in excess of the expenditure limits provided in subsection (1) of this section; or

(b) The matching ratio of fund transfers established in KRS 121A.060(3)(c) has been reduced by the registry pursuant to KRS 121A.080***(2)***[~~(3)~~]. If the registry reduces the matching ratio of fund transfers, a qualifying slate of candidates that has elected to become eligible for fund transfers or that may in the future elect to become eligible for fund transfers, may accept aggregate qualifying contributions which, when added to the maximum threshold qualifying amount established in KRS 121A.060(1) and the amount equal to the reduced matching ratio of fund transfers shall not exceed the expenditure limit established in subsection (1) of this section, unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080***(3) or*** (4)[~~ or (5)~~].

Section 17. KRS 121A.040 is amended to read as follows:

(1) Each slate of candidates for Governor and Lieutenant Governor shall file with the registry a statement of intent to accept or to reject a transfer from the election campaign fund. The statement shall be filed not later than the deadline for filing nomination papers.

(2) A qualifying slate of candidates that intends to accept a transfer shall swear that the slate and the slate's authorized agents have complied with and will continue to comply with applicable contribution and expenditure limits.

(3) A slate of candidates shall designate in the statement of intent whether the slate will accept or reject a transfer in either the primary or the regular election. A qualifying slate of candidates that receives a transfer from the fund in either the primary or regular election shall be bound by the contribution and expenditure limits of KRS 121A.030 and 121A.050 throughout the campaign. A slate of candidates that rejects expenditure limitations in a primary shall not be eligible to receive a transfer from the fund[~~ in a runoff primary or~~] the regular election. A slate of candidates that accepts expenditure limitations in a primary shall not reject expenditure limitations in a regular election.

(4) (a) Prior to the payment by the registry of either a primary election transfer or a regular election transfer, a slate of candidates may rescind its statement of acceptance by filing a notice rescinding its acceptance not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

(b) A slate of candidates may rescind its statement of rejection if it has not received contributions or made expenditures in excess of the expenditure limit established by KRS 121A.030(1) by filing a notice rescinding its rejection not later than 4 p.m., prevailing time, not later than ten (10) calendar days after the date for filing nomination papers.

Section 18. KRS 121A.060 is amended to read as follows:

(1) The minimum threshold qualifying amount for a slate of candidates for Governor and Lieutenant Governor in a primary or regular election that elects to be eligible to receive a transfer from the fund shall be three hundred thousand dollars ($300,000) in qualifying contributions and the maximum threshold qualifying amount for a primary or regular election shall be six hundred thousand dollars ($600,000) in qualifying contributions for any one (1) election. Not more than fifty percent (50%) of a threshold qualifying amount shall be received from residents of the same congressional district. No qualifying slate of candidates shall accept qualifying contributions in any one (1) election which in the aggregate exceed the maximum threshold qualifying amount unless a qualifying slate of candidates has been released from expenditure limitations pursuant to KRS 121A.080***(3) or*** (4)[~~ or (5)~~]. A qualifying slate which discovers that it has received qualifying contributions in excess of the maximum threshold qualifying amount shall, without penalty, dispose of qualifying contributions received after the maximum threshold qualifying amount was reached by returning the excess contributions to the contributors. The excess contributions returned to the contributors shall not be considered as qualifying contributions and shall not be matched by transfers from the fund. After the expenditure limit amounts are adjusted under KRS 121A.030(1) in accordance with the consumer price index for all urban workers, the threshold qualifying amounts shall be increased or decreased accordingly. The adjusted maximum threshold qualifying amount shall be one-third (1/3) of the adjusted expenditure limit amount for a primary or regular election campaign, and the adjusted minimum threshold qualifying amount shall be one-half (1/2) of the adjusted maximum threshold qualifying amount. The registry shall make the adjustments in the threshold qualifying amounts in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election.

(2) In order to become a qualifying slate of candidates for the purpose of receiving a transfer from the fund in a primary or regular election, or both, a slate of candidates shall request certification from the registry in a form and in the manner which the registry shall prescribe by administrative regulations promulgated in accordance with this chapter.

(3) The registry shall immediately review the request of a slate of candidates for certification to receive a transfer from the fund. The request for certification shall include:

  (a) A statement of intent accepting maximum expenditure limitations;

  (b) A copy of the slate's nomination papers;

  (c) The financial reports filed by or on behalf of the slate of candidates as of the date of the request for certification which indicate that the slate of candidates has raised a threshold qualifying amount in individual qualifying contributions for a transfer from the fund at a two (2) for one (1) matching ratio; and

  (d) Any other information reasonably necessary that is required by the registry.

(4) The registry shall certify whether a slate of candidates is eligible to receive a primary election transfer no later than seven (7) working days after the slate submits the required documentation.

(5) The registry shall certify whether a slate of candidates is eligible to receive a regular election transfer not later than seven (7) working days after the slate submits the required documentation; except that if the slate is required to take part in a primary election, the results of the primary election shall have been certified by the registry.

(6) A separate determination and certification shall be made for a primary and a regular election.

(7) The certification issued by the registry shall indicate:

  (a) Whether a slate of candidates is eligible to receive a transfer; and

  (b) The amount of fund transfers the slate of candidates is eligible to receive based on the amount of qualifying contributions that the slate has received at the time that it requests a transfer eligibility certification.

(8) A slate of candidates may make multiple requests for fund transfer eligibility certification in the course of a primary or regular election at the times and in the manner which the registry shall prescribe by administrative regulation.

(9) If a slate of candidates that has filed a statement of intent to accept a transfer is not eligible to receive a transfer, the certification shall:

  (a) State the reasons why the slate of candidates is not eligible to receive a transfer; and

  (b) What action, if any, the slate of candidates may take to qualify for a transfer.

(10) A slate of candidates may file with the registry a written request to review the determination of the registry no later than seven (7) calendar days after the date of certification. The registry shall issue a ruling not later than ten (10) days after receiving a request to review its determination.

(11) A slate of candidates denied certification by the registry may appeal an adverse ruling within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

(12)[~~ No threshold qualifying amount shall be required for a slate of candidates participating in a runoff primary. A qualifying slate of candidates shall be certified to receive a fund transfer for the runoff primary, if one shall be held, upon the registry's certification that the qualifying slate of candidates received the highest or next highest number of votes for its party's nomination for Governor and Lieutenant Governor at the primary election or that a qualifying slate of candidates~~

~~was determined by lot to be eligible to participate in a runoff primary pursuant to KRS 118.245(6).~~

~~(13)~~] No qualifying slate of candidates seeking its party's nomination for Governor and Lieutenant Governor shall be eligible to receive transfers from the fund in a primary or regular election unless at least one (1) opposing slate of candidates has received and deposited in its candidate campaign account funds in an amount not less than the minimum threshold qualifying amount established in subsection (1) of this section. After this requirement has been met in a primary or regular election, qualifying slates may independently qualify for subsequent transfers in that election without regard to the ability of another qualifying slate in that election to qualify for subsequent transfers in that election.

Section 19. KRS 121A.080 is amended to read as follows:

(1) If the registry certifies that a qualifying slate of candidates is eligible to receive a transfer from the fund, the slate may submit a transfer entitlement voucher to the registry, complying with the procedures of subsection *(6)*[~~(7)~~] of this section. Qualifying slates of candidates may receive transfers from the fund according to the matching ratio and threshold levels of qualifying contributions received specified in KRS 121A.060(3)(c) and 121A.060(1), respectively. Subject to subsections *(3)*[~~(4)~~] and *(4)*[~~(5)~~] of this section, a transfer entitlement voucher may document total qualifying contributions of not less than three hundred thousand dollars ($300,000) but not more than six hundred thousand dollars ($600,000) for a primary or regular election for receipt of total fund transfers equal to twice the amount of qualifying contributions documented. A qualifying slate may submit multiple transfer entitlement vouchers as additional qualifying contributions are received in an election, but the maximum amount of fund transfers a slate may receive in a primary or regular election shall not exceed one million two hundred thousand dollars ($1,200,000), subject to the provisions of subsections *(3)*[~~(4)~~] and *(4)*[~~(5)~~] of this section.

(2)[~~ The fund transfer which a qualifying slate of candidates for Governor and Lieutenant Governor in a runoff primary may receive shall be three hundred thousand dollars ($300,000).~~

~~(3)~~] The fund transfer amounts shall be increased or decreased in accordance with the consumer price index for all urban workers, and the registry shall make that adjustment annually, beginning in 1996, and in a year in which a Governor and Lieutenant Governor are elected not later than the filing deadline for the primary election. If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that the existing appropriations in the fund are insufficient to cover the anticipated fund transfers, the registry shall reduce the matching ratio to the ratio the registry determines so as not to exceed the amount of the fund. If the matching ratio is reduced for a primary election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the primary election. If the matching ratio is reduced for a regular election, it shall be applied retroactively to all transfers made to qualifying slates of candidates in the regular election.

(3)[~~(4)~~] (a) If the registry makes a finding of fact, after a public hearing of which all slates of candidates for Governor and Lieutenant Governor shall be notified, that in the course of a primary election[~~, runoff primary election,~~] or regular election campaign a slate of candidates for Governor and Lieutenant Governor that has not accepted the provisions of this chapter has received contributions or made expenditures in excess of the expenditure limit as provided in KRS 121A.030(1), the registry shall certify that those slates of candidates that have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers shall be released from expenditure limitations and may receive and submit for fund transfers qualifying contributions in excess of six hundred thousand dollars ($600,000). Slates of candidates released from expenditure limitations in a primary or regular election shall continue to be eligible to receive transfers from the fund[~~. A slate of candidates that is released from expenditure limitations in a runoff primary shall not be eligible for transfers from the fund in excess of three hundred thousand dollars ($300,000), but shall be eligible to accept qualifying contributions for the runoff primary~~];

(b) The registry shall conduct a public hearing within three (3) days after any report submitted to the registry by a campaign committee of a slate of candidates indicates that the slate of candidates has, or may have, received contributions or made expenditures in excess of the expenditure limits as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing; and

(c) A public hearing shall be conducted within three (3) days upon petition to the registry by a slate of candidates that, based upon its knowledge and belief, another slate of candidates has, or may have, received contributions in excess of the expenditure limitations as provided in KRS 121A.030(1). The registry shall issue a ruling not later than seven (7) days after the public hearing.

(4)[~~(5)~~] Nothing in this section shall prevent any slate of candidates from notifying the registry in writing that its campaign committee has received contributions or made expenditures in excess of the expenditure limitations as provided in KRS 121A.030(1). In that case, no public hearing shall be held and the registry shall certify that those slates of candidates who have elected to become eligible for fund transfers or may in the future elect to become eligible for fund transfers for that election shall be released from expenditure limitations for that election and shall continue to be eligible to receive transfers from the fund if qualified by law.

(5)[~~(6)~~] A slate of candidates shall establish a separate candidate campaign account for each primary[~~, runoff primary,~~] and regular election in which it participates. The unexpended balance of contributions and fund transfers in a candidate campaign account of a slate of candidates which remains after all financial obligations of the particular election for which

the account is established have been satisfied shall be forwarded to the registry for deposit in the fund when the account is closed. The payment to the fund shall be made not later than ten (10) working days after the candidate campaign account for a particular election is closed. Funds in the candidate campaign account of a slate of candidates shall be expended only for expenses incurred in the particular election for which the account is established and shall not be used to pay expenses incurred in any other election or for any other purpose.

(6)[~~(7)~~] To receive fund transfers for which it is eligible, each qualifying slate of candidates shall submit to the registry at the times and in the form and manner the registry may require, a transfer entitlement voucher. The voucher shall include the full name of all persons making a contribution to the campaign committee of the slate of candidates together with the date, the exact amount of the contribution, the specific address of the contributor, the congressional district in which the contributor resides, the occupation and employer of the contributor and the spouse of the contributor, or, if the contributor or the spouse of contributor is self-employed, the name under which he is doing business.

(7)[~~(8)~~] Within three (3) working days of the receipt of the voucher, the registry shall:

(a) Make a determination, according to the procedures the registry may establish by administrative regulation, whether each contribution enumerated on the voucher is consistent with the provisions of this chapter;

(b) Certify for payment to the qualifying slate of candidates the amount of fund transfer for which it is eligible; and

(c) Promptly upon certification, issue a warrant on the fund for a transfer to the qualifying slate of candidates or its authorized treasurer in the amount certified by the registry.

(8)[~~(9)~~] For the purpose of financing primary election campaigns, the registry shall make no transfer to a qualifying slate of candidates entitled to transfers from the fund earlier than January 1 of a year in which the Governor and Lieutenant Governor are elected.

(9)[~~(10)~~] Transfers from the fund for a regular election campaign shall not be made earlier than the date the results of the primary election preceding the regular election of a year in which the Governor and Lieutenant Governor are elected are certified. If a qualifying slate of candidates is unopposed in a primary election, or has no opposition that has received contributions of not less than the threshold qualifying amount for the primary election, the registry shall make no transfer to that slate from the fund for the primary election. If a qualifying slate of candidates is unopposed in a regular election, or has no opposition that has received contributions of not less than the minimum threshold qualifying amount for the regular election, the registry shall make no transfer to that slate from the fund for the regular election.

(10)[~~(11)~~] If a vacancy occurs in a slate of candidates before the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry not later than the deadline for printing primary election ballots, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a vacancy occurs in a slate of candidates after the ballots are printed for the primary election, the remaining member of the slate may designate a replacement for the vacant candidate or change the composition of the slate and designate a running mate on forms filed with the registry prior to the primary election, but only following certification to the remaining candidate by the Secretary of State that a vacancy exists for a reason specified in this subsection. If a replacement for a vacant candidate is made after the ballots are printed for the primary election because of death, disqualification to hold the office sought, or severe disabling condition which arose after the slate formed a campaign committee, notices informing the voters of the change in the composition of the slate shall be posted at each precinct polling place.

(11)[~~(12)~~] The provisions of KRS 118.105 shall apply to vacancies occurring in the nomination of a qualifying slate of candidates.

(12)[~~(13)~~] If during the course of a primary or regular election, a qualifying slate of candidates withdraws, is otherwise removed from the ballot, becomes the only slate of candidates for a party nomination or election on the ballot, or if both candidates on the slate die, the registry shall certify and pay on vouchers previously submitted by that slate, but any subsequent vouchers submitted by that slate shall not be certified nor shall transfers be made.

(13)[~~(14)~~] The registry shall not certify any contribution made to a qualifying slate of candidates entitled to transfers from the fund, which, when added to other contributions made by the same contributor to the slate in connection with the primary election and in connection with the regular election, violates the provisions of KRS 121A.050 or 121.150.

(14)[~~(15)~~] The registry shall perform a continuing audit of all slates of candidates for Governor and Lieutenant Governor to ensure that they are in compliance with this chapter and the election laws of the Commonwealth.

Section 20. KRS 121A.100 is amended to read as follows:

(1) Any qualifying slate of candidates that elects to receive a transfer from the fund shall participate preceding any primary[~~, runoff primary, if one is held,~~] and regular election in which it participates, in a year in which the Governor and Lieutenant Governor are elected, in a reasonable number of televised candidate forums or debates managed and designed by the Kentucky Authority for Educational Television in a manner to ensure participation by all slates of candidates. However, a qualifying slate of candidates that elects to receive a transfer from the fund shall not be required to participate in more than six (6) televised candidate forums or debates preceding a primary,[~~ one (1) preceding a runoff primary,~~] or six (6)

preceding a regular election. The authority shall make the televised candidate forums or debates available at no charge to all other media. The authority shall promulgate administrative regulations necessary to implement the requirements of this subsection.

(2) All programming decisions concerning televised candidate forums or debates shall be the ultimate responsibility of the Kentucky Authority for Educational Television. The authority shall maintain editorial integrity in accordance with accepted public broadcasting principles. No appointed or elected state officeholder or any other person shall directly or indirectly attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any person assigned responsibility for candidate forum or debate programming decisions no alternative but to comply with the wishes of the officeholder or person. Persons assigned candidate forum or debate programming decisions shall be free of obligation or the appearance of obligation to any interest other than the public right to know. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any programming decision he considers to be an abridgement of his legal rights.

(3) The registry shall promulgate administrative regulations which prescribe the grounds for which failure of a qualifying slate of candidates to participate in any of the televised candidate forums or debates required by subsection (1) of this section shall be excused and the process by which a qualifying slate of candidates shall inform the registry of the grounds for its failure to participate.

(4) If the registry determines that failure of a qualifying slate of candidates to participate in any televised candidate forum or debate required by subsection (1) of this section was not justified, no fund transfer shall be made to the slate for that election if it shall be otherwise qualified to receive one. If the registry determines that a slate that has already received a fund transfer has unjustifiably failed to participate in any required televised candidate forum or debate, the slate's campaign committee shall reimburse the fund the amount of the transfer within thirty (30) days of the date on which the registry's determination becomes final. If the slate's campaign committee has not reimbursed the fund the amount of the transfer within the thirty (30) day period, the slate shall be personally liable to the fund for the transfer amount to be reimbursed. A slate of candidates may appeal an adverse ruling by the registry within twenty (20) days by filing a notice of appeal in the Court of Appeals in accordance with the Rules of Civil Procedure and the appeal of a ruling by the registry shall be advanced on the docket to permit a timely decision.

On the day following the candidate filing deadline, each county clerk shall certify the names of all candidates for city office that filed nomination papers with him or her to the clerk of the other county into which the boundaries of the city extend. ***In the case of a candidate voted for by the electors of a city whose boundaries extend beyond those of a single county, each county clerk shall certify the vote totals for that candidate to the clerk of the other county into which the boundaries of the city extend.***

Section 2. KRS 118.425 is amended to read as follows:

(2) The county board of elections shall issue certificates of election where the successful candidate was voted for by the electors of one (1) county, or of a district less than one (1) county, except members of Congress, members of the General Assembly, and designated officers filing with the State Board of Elections. ***The county board of elections of the candidate's residence shall issue certificates of election where the successful candidate was voted for by the electors of***

a city whose boundaries extend beyond those of a single county. The board shall forward the certificate to the elected candidate. If the board finds that two (2) or more candidates have received the highest and equal number of votes for the same office, the board shall determine by lot which of the candidates is elected.

(3) In the case of all offices voted for, and in the case of public questions submitted to the vote of the people of the state at large or of a district greater than one (1) county, the county board of elections shall make out duplicate certificates of the total number of votes received by each of the candidates for the office and the total number of votes for and against each of the questions. (4) The State Board of Elections shall meet, to count and tabulate the votes received by the different candidates as certified to the Secretary of State, when the returns are all in, or on the third Monday after the election whether they are in or not, but if all the returns are not made, the right to contest an election shall not be impaired. A majority of the members of the board shall constitute a quorum and may act. The board shall make out the certificates of election in the office of the board from the returns made. The board shall make out duplicate certificates of election, in writing, over the signatures of its members. The board shall forward the original certificate, by mail, to the elected candidate. The duplicate shall be retained in the office of the board. (5) The certificate of election shall be issued to the candidate receiving the highest number of votes in the territory from which the election is to be made. If two (2) or more persons are found to have received the highest and an equal number of votes for the same office, the election shall be determined by lot in the manner the board directs, in the presence of not less than three (3) other persons. In the case of elections for electors of President and Vice President of the United States, the board shall issue a certificate of election to each elector of the political party or organization whose candidates for President and Vice President received the highest number of votes and the determination by the board that the candidates of any political party or organization for President and Vice President have received the highest number of votes shall constitute a determination that the electors nominated by that party have been elected.

(1) Each county shall be divided into election precincts by the county board of elections. Each election precinct shall be composed of contiguous and, as nearly as practicable, compact areas having clearly definable boundaries and wholly contained within any larger district. The county board of ***elections***[~~election~~] shall establish precincts so that no boundary of a precinct crosses the boundary of:

And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing operators of commercial motor vehicles, an emergency is declared to exist, and Sections 1 to 10 and Section 12 of this Act take effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Section 18. Whereas the terrorist attacks of September 11, 2001, unveiled a war being waged on America and all Americans, both at home and abroad, by a wide spectrum of terrorists. And whereas United States Government officials have credible information that these cowardly terrorists are attempting to surreptitiously obtain commercial drivers licenses in order to commit criminal acts against the nation's infrastructure by using commercial motor vehicles as weapons of mass destruction. And whereas because the identities of these and future terrorists remain unknown, it is crucial for the Commonwealth to act as quickly as possible to protect its citizens, and by doing so protect all fellow Americans, through the strengthening of state laws governing the training and licensing of operators of commercial driver training schools and of commercial motor vehicles, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor, or upon its otherwise becoming a law.

WHEREAS, The Underground Railroad is an American saga whose themes of freedom, cooperation, and courage reverberate throughout history. It is the story of the many enslaved blacks, free blacks, whites, and Native Americans who assisted the runaways and provided for their safe passage, food, and shelter on the road to freedom; and

WHEREAS, the National Underground Railroad Freedom Center will be a 158,000 square foot museum and learning center that will open in 2004 on the banks of the Ohio River joining Ohio and Kentucky. The Freedom Center will be set on the northern bank of the Ohio River in Cincinnati which was the "River Jordan" to many escaping slaves and the last natural barrier to the "Promised Land" and freedom; and

WHEREAS, the Freedom Center's exhibits will trace the rise and downfall of slavery during the very period when the United States proclaimed itself the citadel of freedom. They will also recount the exceptional lives of both legendary and little-known individuals in the Underground Railroad; and

WHEREAS, guests will travel along a re-created Underground Railroad route through virtual reality simulation and will experience both the fear and exhilaration that accompanied escape and emancipation; and

WHEREAS, visitors to the Freedom Center will have the opportunity to exchange their reactions and ideas about what they have seen and heard. An open, continuous dialogue on the subject of freedom is a key mission of the Freedom Center and an urgent priority in today's increasingly complex world; and

WHEREAS, the Freedom Center offers a broad range of educational programs tailored for children, adults, and teachers. "Freedom Curriculum" tools will offer middle-school teachers the latest research and scholarship on the Underground Railroad period and enable them to access additional research and historical materials online; and

WHEREAS, each week the Freedom Center's Web-site, www.undergroundrailroad.org, enlightens thousands of web visitors on Underground Railroad facts and offers such visitors an immediate way to express their thoughts on the meaning of freedom; and

WHEREAS, a research institute will electronically network museums, colleges, libraries, schools, and research centers throughout the United States. Students and scholars will be able to tap into the network to exchange the latest research on slavery as well as historical and contemporary freedom movements around the world; and

WHEREAS, Freedom Stations are being established throughout the country including many at known Underground Railroad sites as part of a nationwide network, with the Freedom Center at its hub, to share new research on the antebellum period and stimulate ideas on how the lessons of history might apply to ongoing search for freedom today;

NOW, THEREFORE,

(7) Any person who has received an absentee ballot by mail but who knows at least seven (7) days before the date of the election that he will be in the county on election day and who has not voted pursuant to the provisions of KRS 117.086 shall cancel his absentee ballot and vote in person. He shall return his absentee ballot to the county clerk's office no later than seven (7) days prior to the date of the election. Upon the return of the absentee ballot, the clerk shall mark on the outer envelope of the sealed ballot or the unmarked ballot the words "Canceled because voter appeared to vote in person." Sealed envelopes so marked shall not be opened. The clerk shall remove the voter's name from the list of persons who were sent absentee ballots, and the voter may vote in the precinct in which he is properly registered.

(8) Any voter qualified for a mail-in absentee ballot who does not receive a requested mail-in ballot within a reasonable amount of time shall contact the county clerk, who shall reissue a second ballot. The county clerk shall keep a record of the absentee ballots issued and returned by mail, and the absentee voting that is performed on the voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections, to verify that only the first voted ballot to be returned by the voter is counted. Upon the return of any ballot after the first ballot is returned, the clerk shall mark on the outer envelope of the sealed ballot the words "Cancelled because ballot reissued".

Section 3. KRS 117.086 is amended to read as follows:

(1) The voter returning his absentee ballot by mail shall mark his ballot, seal it in the inner envelope and then in the outer envelope and mail it to the county clerk as shall be provided by this chapter. In order to be counted, the ballots shall be received by the clerk by at least the time established by the election laws generally for the closing of the polls, which time shall not include the extra hour during which those voters may vote who were waiting in line to vote at the scheduled poll closing time.

(2) Any voter who shall be absent from the county on election day, but who does not qualify to receive an absentee ballot by mail under the provisions of KRS 117.085, and all ***voters***[~~members of county boards of elections, precinct election officers, and pregnant women~~] qualified to vote prior to the election under the provisions of KRS 117.085, shall vote at the main office of the county clerk or other place designated by the county board of elections, and approved by the State Board of Elections, prior to the day of election. The clerk may provide for such voting by the voting equipment in general use in the county either at the precinct, the equipment as may be used to tabulate absentee ballots, or any other voting equipment approved by the State Board of Elections for use in Kentucky, except as follows:

(3) When the clerk uses general voting equipment as provided for in subsection (2) of this section, each voter casting his vote at the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, shall sign an "Absentee Ballot Signature Roster."

(4) The clerk shall designate a location within his office where the ballots shall be cast secretly. The county clerk, with the approval of the State Board of Elections, may establish locations other than his main office in which the voters may execute their ballots. Public notice of the locations shall be given pursuant to KRS Chapter 424 and similar notice by mail shall be given to the county chairmen of the two (2) political parties whose candidates polled the largest number of votes in the county at the last general election.

(5) The State Board of Elections shall promulgate administrative regulations to provide for casting ballots as provided in subsection (2) of this section.

(6) The clerk shall deposit all of the absentee ballots returned by mail in a locked ballot box immediately upon receipt without opening the outer envelope. The ballot box shall be locked with three (3) locks. The keys to the box shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the box shall remain locked until the ballots are counted. All voting equipment on which ballots are cast as permitted in subsection (2) of this section shall also remain locked and the keys shall be retained by the three (3) members of the central absentee ballot counting board, if one is appointed, or by the members of the board of elections, and the equipment shall remain locked until the ballots are counted.

(7) The clerk shall keep a list of all persons who return their absentee ballots by mail or cast their ballots in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, and send a copy of that list to the state board after election day. The county clerk and the Secretary of State shall keep a record of the number of votes cast by absentee ballots returned by mail and on the voting machine in the county clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, cast in any election as a part of the official returns of the election.

(8) The county board of elections shall report to the State Board of Elections within ten (10) days after any primary or general election as to the number of rejected absentee ballots and the reasons for rejected absentee ballots on a form prescribed by the State Board of Elections in administrative regulations promulgated under KRS Chapter 13A.

Section 4. KRS 117.087 is amended to read as follows:

(1) The challenge of an absentee ballot returned by mail shall be in writing and in the hands of the county clerk before 3:00 p.m. on election day.

(2) The county board of elections shall count the absentee ballots returned by mail and the votes cast on the voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. The board may appoint a central ballot counting board of not less than three (3) members, who shall be qualified voters and no more than two-thirds (2/3) of whom shall be members of the same political party, to count the ballots at the direction of the county board of elections.

(3) Beginning at 3:00 p.m. on election day, the board shall meet at the clerk's office to count the absentee ballots returned by mail and the ballots cast on the voting machine in the county clerk's office or other place designated by the county board of elections and approved by the State Board of Elections. Candidates or their representatives shall be permitted to be present. The county board of elections shall authorize representatives of the news media to observe the counting of the ballots. The board shall open the boxes containing absentee ballots returned by mail and remove the envelopes one (1) at a time. As each envelope is removed, it shall be examined to ascertain whether the outer envelope and the detachable flap are in proper order and have been signed by the voter. ***A person having power of attorney for the voter and who signs the detachable flap and outer envelope for the voter shall complete the voter assistance form required by KRS 117.255. The signatures of two (2) witnesses are required if the voter signs the form with the use of a mark instead of the voter's signature.*** All unsigned absentee ballots shall be rejected automatically. The chairman of the county board of elections shall compare the signatures on the outer envelope and the detachable flap with the signature of the voter that appears on the registration card. If the outer envelope and the detachable flap are found to be in order, the chairman shall read aloud the name of the voter. If the vote of the voter is not rejected on a challenge then made as provided in subsection (4) of this section, the chairman shall remove the detachable flap and place the inner envelope unopened in a ballot box which has been provided for the purpose.

(4) When the name of a voter who cast an absentee ballot by mail is read aloud by the chairman, the vote of the voter may be challenged by any board member or by the written challenge provided in subsection (1) of this section and the challenge may be determined and the vote accepted or rejected by the board as if the voter was present and voting in person; but if the outer envelope and the detachable flap are regular, and substantially comply with the provisions of this chapter, they

shall be considered as showing that the voter is prima facie entitled to vote. If the vote of a voter is rejected pursuant to the challenge, the inner envelope shall not be opened, but returned to the outer envelope upon which the chairman shall write on the envelope the word "rejected".

(5) After the challenges have been made and all the blank inner envelopes have been placed in a ballot box, the box shall be thoroughly shaken to redistribute the absentee ballots in the box. The board shall open the ballot box, remove the absentee ballots from the inner envelopes, and count the ballots.

(6) The board shall unlock any voting equipment used to cast ballots in the clerk's office or other place designated by the county board of elections, and approved by the State Board of Elections, as provided for in KRS 117.086 and a total of all ballots shall be made and recorded on the form provided by the State Board of Elections.

(7) The county board of elections ***and the county clerk*** shall ***not*** make public the ***absentee*** ballot results determined as provided in this section ***until*** after 6 p.m. ***prevailing time.***

HCR 31, A CONCURRENT RESOLUTION encouraging Kentucky's coal mining industry to actively recruit resident Kentucky miners.

WHEREAS, since 1820, coal has been a backbone industry in Kentucky providing employment to Kentuckians in both the Eastern and Western parts of the state; and

WHEREAS, fewer people are being employed in the coal mining industry in Kentucky and industry downsizing in the

1980s left many miners displaced or unemployed; and

WHEREAS, the decreasing employment in the coal mining industry is coupled with a decline in the average wage for Kentucky's coal miners since 1996; and

WHEREAS, recently Kentucky coal companies have become more competitive and have investigated the recruitment of foreign coal miners to further increase productivity; and

WHEREAS, Kentucky has no foreign coal miners at present, but concerns have been raised about the safety to all underground coal miners if there are efforts to recruit miners that are not proficient in both reading and writing in the English language; and

WHEREAS, there are a number of displaced miners in Kentucky that are seeking employment and a practice of hiring overseas workers rather than employing resident Kentucky miners would run counter to promoting economic development in rural Kentucky;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The General Assembly urges the coal mining industry to implement aggressive recruiting strategies to employ resident Kentucky miners before undertaking efforts to hire overseas workers.

Section 2. A copy of this resolution shall be sent to the Department of Mines and Minerals, the Kentucky Coal Council, the United Mine Workers Association, and the Kentucky Coal Association.

(11) Employees who served as assistants to officers and employees of the General Assembly who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960, if the service purchased when added to other accumulated service will total at least forty-eight (48) months. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) (a) Effective August 1, 1988, any employee participating in one (1) of the state-administered retirement systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(b) Any noncertified employee of a school board may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. secs. 402(c) and 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds pursuant to the rules in 26 U.S.C. sec. 401(a)(31) directly from a retirement plan or a deferred compensation arrangement maintained by his employer which is a qualified plan pursuant to 26 U.S.C. sec. 401(a). Service credit may also be purchased by a rollover of funds from a qualified retirement plan pursuant to the rules specified in 26 U.S.C. sec. 402(c). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in 26 U.S.C. secs. 402(c) and 401(a)(31). The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

(20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state

retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

(21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. The employee may obtain credit for service with a city, county, or joint city-county planning commission only if the Kentucky Retirement Systems receives a favorable letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor.

(24) (a) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement Systems who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. Service credit shall not be credited to the member's account until the employer contributions are received by the retirement system. (25) Any employee participating in one (1) of the state-administered retirement systems may purchase service credit for employment with a public agency that would have been eligible to participate under KRS 61.520 but which did not participate in the Kentucky Employees Retirement System or a political subdivision that would have been eligible to participate under KRS 78.530 but which did not participate in the County Employees Retirement System if the former public agency or political subdivision has merged with or been taken over by a participating department or county. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

(26) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems[~~on or after August 1, 1998~~], who has at least ***one hundred and eighty (180)***[~~two hundred forty (240)~~] months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. Payment by the member may be by lump sum or by increments. ***The service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred and forty (240) months of service, excluding service purchased under this subsection. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and

(b) The term "state employee" for purposes of this section shall include a person, including an elected public official, who is regularly employed by any department, board, agency, branch of state government; or any municipal, urban-county, charter county, or county government, whose legislative body has opted to participate in the state health insurance program pursuant to KRS 79.080 and who is a contributing member to any one (1) of the retirement systems administered by the state. It shall also include a person who must fulfill the requirements established by the Kentucky Board of Education for eligibility and a person who is a present or future recipient of a retirement allowance from any of the Kentucky Retirement Systems who either satisfies the requirements of KRS 61.559 or who is board authorized under KRS 61.702(1), including a beneficiary of a retired employee as defined in KRS 61.542 who is receiving a retirement allowance from any of the Kentucky Retirement Systems and includes members of the Legislators' Retirement Plan as provided in KRS 18A.2287. It shall also include a person who is a present or future recipient of a retirement allowance from the Teachers' Retirement System of Kentucky who either satisfies the requirements of KRS 161.525, 161.620, and 161.675 or who is board certified, including a beneficiary of a retired member who is receiving a retirement allowance from the Teachers' Retirement System of Kentucky, except that a member who is receiving a retirement allowance from the Teachers' Retirement System and who is age sixty-five (65) or older shall not be included.

(2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage including, but not limited to, indemnity, health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of state employees. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.

(d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(3) *(a)* The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(b) In addition to the dental insurance or prepaid dental plan coverage authorized by paragraph (a) of this subsection, the secretary of the Finance and Administration Cabinet shall procure a comprehensive dental insurance plan or plans which shall be available to all state employees on a voluntary payroll deduction basis, from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304. For the purposes of this paragraph a "comprehensive dental insurance plan" shall include preventive care and basic care, and may include major care.

(c) In addition to the health insurance coverage required by paragraph (a) of this subsection, the secretary of the Finance and Administration Cabinet shall procure a comprehensive vision insurance plan or plans, which shall be available to all state employees on a voluntary payroll deduction basis, from one (1) or more vision insurance companies, or one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304. For the purposes of this paragraph a "comprehensive vision insurance plan" shall include an annual eye exam, prescription eyewear and glaucoma screening.

(d) The dental insurance plan authorized by paragraph (b) of this subsection and the vision insurance plan authorized by paragraph (c) of this subsection are to be made available to state employees on a voluntary payroll deduction basis only, with the employee to bear the entire cost of the policy premium. The policy or policies shall be approved by the commissioner of insurance.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

(8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.

(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.

(10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

(12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

(14) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

The Committee Substitute to **HB 530** is as follows:

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

The member may pay by transfer, if authorized under subsection (5)(d) of this section, or by lump sum or increments as set forth in subsection (4)(b) of this section. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).

(3) Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan under subsection (1) of this section or KRS 21.375, shall receive service credit for a maximum of four (4) years for his period of service as a city police judge for a city within the Commonwealth of Kentucky, if the service was performed prior to the first Monday in January, 1978, and if the service has not been credited to the member's account with any other public defined benefit plan, by paying the retirement system one hundred percent (100%) of the actuarial cost of the service as determined by the board of trustees, based on assumptions used in the most recent biennial evaluation. The period of service to be purchased shall be certified to the board of trustees by the custodian of the records of the city for which the service was performed. The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question under KRS 21.400. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan. The payments made under this section shall be considered accumulated contributions of the member and shall not be picked up by the employer under KRS 21.360(6).

(4) (a) 1. Any active member of the Judicial Retirement Plan who is vested in the Judicial Retirement Plan under subsection (1) of this section or KRS 21.375, or his beneficiary acting in his place if the member dies prior to retirement, shall receive service credit for a maximum of four (4) years for his period of service in the

The service credit shall be awarded and the cost shall be determined in conformity with the rate which applies to the member in question under KRS 21.400. Service credit awarded under this subsection shall be equivalent, for all purposes of the Judicial Retirement Plan, to other service credit earned in the plan.

Payment of the total or the increment may be made by lump sum or by monthly installments through payroll deduction. If the member chooses to pay by installment, the cost of the service credit shall be computed in the same manner as for a lump-sum payment, which shall be the principal. Interest, at the annual actuarial rate in effect at the time each payment is made, shall be added to each monthly payment at the rate of one-twelfth (1/12) of the annual interest rate applied to the declining principal amount. Installment purchases shall be for no less than twelve (12) nor more than sixty (60) months. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994***, and shall include a mail order drug option as provided in subsection (14) of this section***. All state employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the state or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment. For calendar year 2001 only, an emergency shall exist when any county in which only one (1) health insurance company offers a single plan to state employees and, subsequent to the open enrollment period, the health insurance company fails to maintain at least sixty-five percent (65%) of its contracts within the geographic region with specialty physicians who were participating in the network at the time of open enrollment. The Finance and Administration Cabinet shall immediately notify the Governor, the Legislative Research Commission, and the secretary of the Personnel Cabinet and shall be authorized to immediately negotiate and contract with additional health insurance companies for additional plans to serve any county without meeting the requirements of the Model Procurement Code under KRS Chapter 45.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to members of the state group shall agree to provide coverage to all members of the state group, including both active employees and retirees within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to members of the state group shall also agree to rate all such members of the state group as a single entity, except for those retirees whose former employers insure their active employees outside the state health insurance program.

(d) Any carrier bidding to offer health care coverage to any member of the state group shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance of data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual member; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall provide to the General Assembly in June of each year an analysis of enrollment, claims, utilization data of all carriers for the prior plan year ending December 31, and on the financial stability of the program. The report shall include, but not be limited to, loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, paid dependent coverage, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state employee health insurance program for its active members terminates participation in the state employee health insurance program for its active members and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, neither the agency nor the employees shall receive the state-funded contribution after termination from the state employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state health insurance plan's appropriation account.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of state employees. All state employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either

standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for state employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the insured employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the state not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, or branch of state, municipal, urban-county, charter county, or county government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, continuation of insurance or coverage after retirement, and other provisions the commissioner of insurance may approve.

(8) The policy or policies shall contain the provision that employees or retired employees shall be allowed to change health care plans during the reopening period without any limitation for pre-existing conditions if the employee has met the pre-existing condition limitation upon initial employment or reemployment with the group.

(9) The secretary of the Finance and Administration Cabinet is authorized to perform all acts necessary or advisable for the purpose of contracting for and maintaining health care coverage and dental coverage under the provisions of this section.

(10) Group rates under this section shall be made available to the disabled child of a state employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(11) The health care contract or contracts for state employees shall be entered into for a period of not less than one (1) year.

(12) The secretary shall appoint twenty-eight (28) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state health insurance program for state employees. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(13) Notwithstanding any other provision of law to the contrary, the policy or policies provided to state employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of state employees or their dependents.

(14) *(a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.*

(b) Any retail pharmacy that agrees to meet the mail order price, dispensing fee, and copay requirements of the mail order program shall be permitted to participate in the mail order program by any health benefit plan or insurer providing services under this subsection, if the retail pharmacy is located within the geographic coverage area of the health benefit plan and insurer providing the prescription benefits.

(c) The mail order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(d) As a condition of participating in the program authorized under this subsection, the pharmacy annually shall certify the following to the secretary of the Finance and Administration Cabinet:

(e) Failure to comply with the provisions of this subsection shall make the pharmacy ineligible to participate in the program authorized by this subsection.

(15) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Personnel Cabinet, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

A waiver given by the commissioner of the Office for the New Economy to any investment fund manager that exempts the investment fund manger from complying with the provisions of Section 37 of this Act under this subsection, or the authority's approval of an investment fund or investment fund manager under this section, shall not be construed as a certification of the investment fund manager's experience, knowledge, quality, or other abilities and competencies. The credit may be applied against the income tax imposed by KRS 141.020 or 141.040, the corporation license tax imposed by KRS 136.070, the insurance taxes imposed by KRS 136.320, 136.330, and 304.3-270, and the tax on financial institutions imposed by KRS 136.505.

(3) If the credit amount that may be claimed in any tax year, as determined under subsections (1) and (2) of this section, exceeds the investor's combined tax liabilities against which the credit may be claimed for that year, the investor may carry the excess tax credit forward until the tax credit is used, but the carry-forward of any excess tax credit shall not increase the fifty percent (50%) limitation established by subsection (2) of this section. Any tax credits not used within fifteen (15) years of the approval by the authority of the aggregate tax credit amount available to the investor shall be lost.

(4) The tax credits allowed by this section shall not apply to any liability an investor may have for interest, penalties, past due taxes, or any other additions to the investor's tax liability. The holder of the tax credit shall assume any and all liabilities and responsibilities of the credit.

(5) The tax credits allowed by this section are not transferable, except that:

(a) A nonprofit entity may transfer, for some or no consideration, any or all of the credits it receives under this section and any related benefits, rights, responsibilities, and liabilities. Within thirty (30) days of the date of any transfer of credits pursuant to this subsection, the nonprofit entity shall notify the authority and the Revenue Cabinet of:

(c) If an individual investor dies, the tax credits shall pass to the investor's estate or beneficiaries in a manner consistent with the transfer of ownership of the investor's interest in the investment fund.

(6) The tax credit amount that may be claimed by an investor shall reflect only the investor's participation in qualified investments properly reported to the authority by the investment fund manager. No tax credit authorized by this section shall become effective until the Revenue Cabinet receives notification from the authority that includes:

(a) A statement that a qualified investment has been made that is in compliance with KRS 154.20-250 to 154.20-284 and all applicable regulations; and

(b) A list of each investor in the investment fund that owns a portion of the small business in which a qualified investment has been made by virtue of an investment in the investment fund, and each investor's amount of

credit granted to the investor for each qualified investment.

The authority shall, within sixty (60) days of approval of credits, notify the Revenue Cabinet of the information required pursuant to this subsection and notify each investor of the amount of credits granted to that investor.

(7) After the date on which investors in an investment fund have cumulatively received an amount of credits equal to the amount of credits allocated to the investment fund by the authority, no investor shall receive additional credits by virtue of its investment in that investment fund unless the investment fund's allocation of credits is increased by the authority pursuant to an amended application.

If the investment fund fails to pay the penalty and interest in full as required by the Revenue Cabinet, each investor shall be personally liable to the Revenue Cabinet for that investor's share of the unpaid penalty, which shall be determined by the amount of credits received and utilized by the investor and all applicable interest. Any payment of unpaid penalty by an investor shall be included with the investor's state tax return for the period in which the failure or violation occurred. The secretary of the Revenue Cabinet shall give notice in writing to the authority, the investment fund manager, and the investors of any penalties imposed. The secretary of the Revenue Cabinet may abate any imposed penalty upon written request, if the investment fund manager establishes reasonable cause for the failure to make qualified investments in small businesses under the provisions of KRS 154.20-250 to 154.20-284, or to otherwise comply with the provisions of KRS 154.20-250 to 154.20-284. The expense reasonably attributable to any such examination shall be paid by the broker-dealer, firm employing issuer agents, or investment adviser whose business is examined but the expense so payable shall not exceed an amount which the commissioner by rule prescribes. For the purpose of avoiding unnecessary duplication of examinations, the commissioner, insofar as he deems it practicable in administering this subsection, may cooperate with securities administrators of other states, the securities and exchange commission, and any national securities exchange or national securities association registered under the Securities Exchange Act of 1934.

The commissioner may permit initial and renewal registration filings required under this chapter to be filed with the Securities and Exchange Commission, the National Association of Securities Dealers, or other similar authorities. The commissioner may accept uniform securities examinations or other procedures designed to implement a uniform national securities regulatory system or facilitate common practices and procedures among the states.

(13) (a) The commissioner may by order deny, suspend, or revoke registration of any broker-dealer, agent, investment adviser, or investment adviser representative, or bar or censure any registrant or any officer, director, partner, or person occupying a similar status or performing similar functions for a registrant, from employment with a registered broker-dealer or investment adviser, or restrict or limit a registrant as to any function or activity of the business for which registration is required in the Commonwealth of Kentucky, if he finds that the order is in the public interest and that the applicant or registrant or, in the case of a broker-dealer, or investment adviser, any partner, officer, or director, any person occupying a similar status or performing similar functions, or any person directly or indirectly controlling the broker-dealer or investment adviser:

1. Has filed an application for registration under this section which, as of its effective date, or as of any date after filing in the case of an order denying effectiveness, was incomplete in any material respect or

contained any statement which was, in the light of the circumstances under which it was made, false or misleading with respect to any material fact;

2. Has willfully violated or willfully failed to comply with any provision of this chapter or a predecessor law or any rule or order under this chapter or a predecessor law;
3. Has been convicted, within the past ten (10) years, of any misdemeanor involving a security or any aspect of the securities business, or any felony, or has pending against him any such criminal charge;
4. Is permanently or temporarily enjoined by any court of competent jurisdiction from engaging in or continuing any conduct or practice involving any aspect of the securities business;
5. Is the subject of an order of the commissioner denying, suspending, or revoking registration as a broker-dealer, agent, investment adviser, or investment adviser representative;
6. Is the subject of any of the following orders that are currently effective and were issued within the last five (5) years:
    a. An order by the securities agency or administrator of another state or Canadian province or territory, or by the Securities and Exchange Commission, entered after notice and opportunity for hearing, denying, suspending, limiting or revoking the person's license as a broker-dealer, sales representative, or investment adviser, or the substantial equivalent of those terms;
    b. An order of a self-regulatory organization finding a violation of federal law or a rule of the self-regulatory organization;
    c. A United States Postal Service fraud order;
    d. A cease and desist or other administrative order entered after notice and opportunity for hearing by the commissioner, the securities agency or administrator of another state, or a Canadian province or territory, the Securities and Exchange Commission, or the Commodity Futures Trading Commission; or
    e. An order by the Commodity Futures Trading Commission denying, suspending, or revoking registration under the Commodity Exchange Act;
7. Has engaged in dishonest or unethical practices in the securities business;
8. Is insolvent, either in the sense that his liabilities exceed his assets or in the sense that he cannot meet his obligations as they mature; but the commissioner may not enter an order against a broker-dealer or investment adviser under this paragraph without a finding of insolvency as to the broker-dealer or investment adviser;
9. Is not qualified on the basis of such factors as training, experience, or knowledge of the securities business, except as provided in paragraph (b) below; or the commissioner may by order, deny, suspend, or revoke any registration if he finds that the order is in the public interest and that the applicant or registrant:
    a. Has failed reasonably to supervise his agents if he is a broker-dealer or his employees or investment adviser representatives if he is an investment adviser; or
    b. Has failed to pay the proper filing fee; but the commissioner may enter only a denial order under this clause, and he shall vacate any such order when the deficiency has been corrected.
10. Has violated the law of a foreign jurisdiction governing or regulating any aspect of the business of securities or banking; or within the past five (5) years, has been the subject of an action of a securities regulator or a foreign jurisdiction denying, revoking, or suspending the right to engage in the business of securities as a broker-dealer, agent, investment adviser, or investment adviser representative or is the subject of an action of any securities exchange or self-regulatory organization operating under the authority of the securities regulator of a state, federal, or foreign jurisdiction suspending or expelling the person from membership in the exchange or self-regulatory organization.

The commissioner may not institute a suspension or revocation proceeding on the basis of a fact or transaction known to him when registration became effective unless the proceeding is instituted within the next thirty (30) days; or

(b) The following provisions govern the application of subparagraph 9. of paragraph (a) of this subsection:

1. The commissioner may not enter an order against a broker-dealer on the basis of the lack of qualification of any person other than the broker-dealer himself if he is an individual or an agent of the broker-dealer;
2. The commissioner may not enter an order against an investment adviser on the basis of the lack of qualification of any person other than the investment adviser himself if he is an individual or any other person who represents the investment adviser in doing any of the acts which make him an investment adviser;
3. The commissioner may not enter an order solely on the basis of lack of experience if the applicant or registrant is qualified by training or knowledge or both;

4. The commissioner shall consider that an agent who will work under the supervision of a registered broker-dealer need not have the same qualifications as a broker-dealer;

5. The commissioner shall consider that an investment adviser is not necessarily qualified solely on the basis of experience as a broker-dealer or agent. When he finds that an applicant for initial or renewal registration as a broker-dealer is not qualified as an investment adviser or an investment adviser representative, he may by order condition the applicant's registration as a broker-dealer upon his not transacting business in this state as an investment adviser or an investment adviser representative;

6. The commissioner may by rule provide for an examination, which may be written or oral or both, to be taken by any class of or all applicants, as well as investment adviser representatives and persons who represent or will represent an investment adviser in doing any of the acts which make him an investment adviser.

(c) The commissioner may by order summarily postpone an application for registration or suspend a registration pending final determination of any proceeding under this section. A summary suspension of an existing registration shall only be made based upon a finding by the commissioner that such action is in the public interest and that there is substantial evidence of a violation of law that constitutes an immediate danger to the public. KRS 13B.125 shall apply to the entry of a summary suspension of a registration. An appeal of a summary suspension shall address only the necessity of a summary action and shall not constitute an appeal of the merits of the underlying violation of the law. Upon the entry of the order, the commissioner shall promptly notify the applicant or registrant, as well as the employer or prospective employer if the applicant or registrant is an agent, that it has been entered and of the reasons therefor and that within fifteen (15) days after the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) If the commissioner finds that any registrant or applicant for registration is no longer in existence or has ceased to do business as a broker-dealer, agent, investment adviser, or investment adviser representative, or is subject to an adjudication of mental disability or to the control of a conservator or guardian, or cannot be located after reasonable search, the commissioner may by order cancel the registration or application.

(e) Withdrawal from registration as a broker-dealer, agent, investment adviser, or investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within such shorter period of time as the commissioner may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke or suspend or to impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. If a proceeding is pending or instituted, withdrawal becomes effective at such time and upon such conditions as the commissioner by order determines. If no proceeding is pending or instituted and withdrawal automatically becomes effective, the commissioner may nevertheless institute a revocation or suspension proceeding under subparagraph 2. of paragraph (a) of this subsection within one (1) year after withdrawal became effective and enter a revocation or suspension order as of the last date on which registration was effective. A notice filing may be withdrawn or terminated by providing notice of the withdrawal or termination, as the case may be, to the commissioner; the withdrawal or termination is effective upon receipt by the commissioner of the notice.

(f) No order may be entered under any part of this section except the first sentence of paragraph (c) of this subsection without appropriate prior notice to the applicant or registrant (as well as the employer or prospective employer if the applicant or registrant is an agent or representative), opportunity for hearing, and written findings of fact and conclusions of law.

(14) Notwithstanding subsection (1) of this section, any broker-dealer, agent, investment adviser or investment adviser representative, or transaction or class of transactions by such persons, for which the commissioner expressly by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors shall be exempt from registration under this section. The commissioner may require that persons exempted from registration under this provision file such forms and information for notice purposes and be bound by one (1) or several provisions of this section as the commissioner deems necessary and appropriate in the public interest or for the protection of investors and the commissioner may impose filing fees in connection therewith, provided however, that the amount of the fee shall not exceed the fee which would be due in the event the exempt person were required to obtain registration.

Section 38. KRS 292.410 is amended to read as follows:

(c) Any nonissuer transaction effected by or through a registered broker-dealer pursuant to an unsolicited order or offer to buy; but the commissioner may by rule require that the customer acknowledge upon a specified form that the sale was unsolicited, and that a signed copy of each such form be preserved by the broker-dealer for a specified period;

(d) Any transaction between the issuer or other person on whose behalf the offering is made and an underwriter, or among underwriters;

(e) Any transaction in a bond or other evidence of indebtedness secured by a real or chattel first mortgage or deed of trust, or by an agreement for the sale of real estate or chattels, if the entire mortgage, deed of trust, or agreement, together with all the bonds or other evidences of indebtedness secured thereby, is offered and sold as a unit;

2. The issuer reasonably believes that each purchaser of the securities is acquiring the securities for investment and is aware of any restrictions imposed on transferability and resale of the securities. The basis for reasonable belief may include:

a. Obtaining a written representation signed by the purchaser that the purchaser is acquiring the securities for the purchaser's own investment and is aware of any restrictions imposed on the transferability and resale of the securities; and

4. Persons receiving commissions, finders fees, or other remuneration in connection with sales of securities in reliance on this subsection are not relieved of compliance with KRS 292.330[~~(6)~~];

The commissioner may, by order, increase the maximum number of purchasers or the maximum offering amount provided in paragraph 3.c. of this subsection upon request if the commissioner determines that any such increase is necessary or appropriate in the public interest or for the protection of investors. Any request to increase either or both of the conditions shall be made in writing to the commissioner before any sale in reliance on the requested increase and shall be accompanied by the following:

a. A statement of the amount of the increase in the maximum offering amount or in the number of purchasers being requested, and the issuer's reasons for requesting the increase;

(l) Any offer (but not a sale) of a security for which registration statements have been filed under both this chapter and the Securities Act of 1933 if no stop order or refusal order is in effect and no public proceeding or examination looking toward such an order is pending under either act;

(m) The issuance of any stock dividend, whether the corporation distributing the dividend is the issuer of the stock or not, if nothing of value is given by stockholders for the distribution other than the surrender of a right to a cash dividend where the stockholder can elect to take a dividend in cash or stock;

(q) Any transaction for which the commissioner by rule or order finds that registration is not necessary or appropriate in the public interest or for the protection of investors.

(2) The commissioner may by order deny or revoke the exemption specified in KRS 292.400(6), (9), or (12) or in this section with respect to a specific security or transaction. No such order may be entered without appropriate prior notice to all interested parties, opportunity for hearing, and written findings of fact and conclusions of law, except that the commissioner may by order summarily deny or revoke any of the specified exemptions pending final determination of any proceeding under this subsection. Upon entry of a summary order, the commissioner shall promptly notify all interested parties that it has been entered and of the reasons therefor and that within fifteen (15) days of the receipt of a written request the matter will be set down for hearing. If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing to all interested persons, may modify or vacate the order to extend it until final determination. No order under this subsection may operate retroactively. No person may be considered to have violated this chapter by reason of any offer or sale effected after the entry of an order under this subsection if he sustains the burden of proof that he did not know, and in the exercise of reasonable care could not have known of the order. In any proceeding under this chapter, the burden of proving an exemption from a definition is upon the person claiming it.

SECTION 1. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) (a) Beginning with the 2002-2003 school year, a private, parochial, or church school that has voluntarily been certified by the Kentucky Board of Education in accordance with the provisions of KRS 156.160(3) may require a national and state criminal background check on all new certified hires in the school and student teachers assigned to the school. Certified individuals who were employed in another certified position in a Kentucky school within six (6) months of the date of the hire and who had previously submitted to a national and state criminal background check for previous employment may be excluded from further national or state criminal background checks.

(b) The national criminal history background check shall be conducted by the Federal Bureau of Investigation. The state criminal history background check shall be conducted by the Kentucky State Police or the Administrative Office of the Courts.

(c) All fingerprints requested under this section shall be on an applicant fingerprint card provided by the Kentucky State Police. The results of the state and federal criminal background check shall be sent to the hiring school. Any fee charged by the Kentucky State Police, the Administrative Office of the Courts, or the Federal Bureau of Investigation shall be an amount no greater than the actual cost of processing the request and conducting the search.

(2) If a school requires a criminal background check for a new hire, the school shall conspicuously include the following disclosure statement on each application or renewal form provided by the employer to an applicant for a certified position: "STATE LAW AUTHORIZES THIS SCHOOL TO REQUIRE A CRIMINAL HISTORY BACKGROUND CHECK AS A CONDITION OF EMPLOYMENT FOR THIS TYPE OF POSITION."

HB 621, AN ACT relating to school assessment and accountability.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.6453 is amended to read as follows:

(1) The Kentucky Board of Education shall be responsible for creating and implementing a statewide assessment program to be known as the Commonwealth Accountability Testing System to ensure school accountability for student achievement of the goals set forth in KRS 158.645 and 158.6451. The board shall seek the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability in the development of the program. The statewide assessment program shall not include measurement of a student's ability to become a self-sufficient individual or to become a responsible member of a family, work group, or community.

(2) The assessment program shall include the following components:

(a) A customized or commercially available norm-referenced test that measures, to the extent possible, the core content for assessment. The test shall provide valid and reliable results for individual students;

(b) Open-response or multiple-choice items, or both, to assess student skills in reading, mathematics, science, social studies, the arts, the humanities, and practical living and vocational studies; and an on-demand assessment of student writing. These assessments shall measure, to the extent possible, the core content for assessment;

(c) Writing portfolios consisting of samples of student work. After receiving the advice of the Writing Advisory Committee, the Kentucky Board of Education shall, by September 1 following April 14, 1998, file a notice of intent to promulgate an administrative regulation which reduces the teacher and student time involved in preparing a writing portfolio. Time reduction strategies included in the administrative regulation may include, but are not limited to, limiting the time spent on a single portfolio entry, limiting the number of revisions, or collecting entries at different grade levels;

(d) Performance assessment events for schools that have students enrolled in performing arts organizations sponsoring sanctioned events with an established protocol for adjudication; and

(e) A technically sound longitudinal comparison of the assessment results for the same students.

(3) Kentucky teachers shall have a significant role in the design of the assessments. The assessments shall be designed to:

(a) Measure grade appropriate core academic content, basic skills, and higher-order thinking skills and their application. The assessment shall measure the core content for assessment used by the Department of Education during the 1997-98 school year. Any revisions to the core content for assessment shall be developed through a public process involving parents; educators at the elementary, secondary, and postsecondary education levels; professional education advocacy groups and organizations; and business and civic leaders and shall be distributed to all public schools;

(b) Provide valid and reliable scores for schools. If scores are reported for students individually, they shall be valid and reliable; and

(c) Minimize the time spent by teachers and students on assessment.

(4) Results from the state assessment under this section shall be reported to the school districts and schools no later than ***one hundred fifty (150) days following the first day the assessment can be administered***[~~September 15 of the following school year~~].

(5) The Department of Education shall gather information to establish the validity of the assessment and accountability program. It shall develop a biennial plan for validation studies that shall include, but not be limited to, the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and the school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 of the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.

(6) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. The continuous assessment shall provide diagnostic information to improve instruction to meet the needs of individual students.

(7) The Kentucky Board of Education, after the Department of Education has received advice from the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation under KRS Chapter 13A to establish the components of a school report card that clearly communicates with parents and the public about school performance. The school report card shall be sent to the parents of the students of the districts, and a summary of the results for the district shall be published in the newspaper with the largest circulation in the county. It shall include, but not be limited to, the following components reported by race, gender, and disability when appropriate:

(a) Student academic achievement, including the results from each of the assessments administered under this section;

(b) Nonacademic achievement, including the school's attendance, retention, dropout rates, and student transition to adult life; and

(c) School learning environment, including measures of parental involvement.

The commissioner by administrative regulation shall define the specifics of this opinion and add any other items deemed to be necessary to its scope.

(3) (a) Every life insurance company, except as exempted by or pursuant to administrative regulation, shall also annually include in the opinion required by subsection (2) of this section, an opinion of the same qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the commissioner by administrative regulation, when considered in light of the assets held by the company with respect to the reserves and related actuarial items, including but not limited to the investment earnings on the assets and the considerations anticipated to be received and retained under the polices and contracts, make adequate provision for the company's obligations under the policies and contracts, including but not limited to the benefits under and expenses associated with the policies and contracts.

(4) Each opinion required by subsection (2) of this section shall be governed by the following provisions:

(b) If the insurance company fails to provide a supporting memorandum at the request of the commissioner within a period specified by administrative regulation or the commissioner determines that the supporting memorandum provided by the insurance company fails to meet the standards prescribed by the administrative regulations or is otherwise unacceptable to the commissioner, the commissioner may engage a qualified actuary at the expense of the company to review the opinion and the basis for the opinion and prepare the supporting memorandum as is required by the commissioner.

(c) The opinion shall be based on standards adopted from time to time by the Actuarial Standards Board and on such additional standards as the commissioner may by administrative regulation prescribe.

(d) In the case of an opinion required to be submitted by a foreign or alien company, the commissioner may accept the opinion filed by that company with the insurance supervisory official of another state if the commissioner determines that the opinion reasonably meets the requirements applicable to a company domiciled in this state.

(e) For the purposes of this section, "qualified actuary" means a member in good standing of the American Academy of Actuaries who meets the requirements set forth in administrative regulations.

(f) Except in cases of fraud or willful misconduct, the qualified actuary shall not be liable for damages to any person, other than the insurance company and the commissioner, for any act, error, omission, decision, or conduct with respect to the actuary's opinion.

(g) Disciplinary action by the commissioner against the company or the qualified actuary shall be defined in administrative regulations by the commissioner.

(k) Once any portion of the confidential memorandum is cited by the company in its marketing, or is cited before any governmental agency other than a state insurance department, or is released by the company to the news media, all portions of the confidential memorandum shall be no longer confidential.

Section 23. KRS 304.6-180 is amended to read as follows:

(1) If in any contract year the gross premium charged by any life insurer on any policy or contract, which is subject to subsection (2) of KRS 304.6-140, is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon, but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in KRS 304.6-140 and 304.6-145. Provided that for any life insurance policy issued on or after January 1, 1986, for which the gross premium in the first policy year exceeds that of the second year and for which no comparable additional benefit is provided in the first year for such excess and which provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than such excess premium, the foregoing provisions of this section shall be applied as if the method actually used in calculating the reserve for such policy were the method described in KRS 304.6-150, ignoring the second subsection of that section. The minimum reserve at each policy anniversary of such a policy shall be the greater of the minimum reserve calculated in accordance with KRS 304.6-150, including the second subsection of that section, and the minimum reserve calculated in accordance with this section.

(2) When the anticipated losses, loss adjustment expenses, commissions, and the acquisition costs, and maintenance costs

exceed the recorded unearned premium reserve, and any future installment premiums on existing policies, a premium deficiency reserve shall be recognized by a property and casualty insurer by recording an additional liability for the deficiency, with a corresponding charge to operations. Commission and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have previously been expensed. For purposes of determining if a premium deficiency exists, insurance contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. If a premium deficiency reserve is established, disclosure of the amount of that reserve shall be made in the financial statements. If a reporting entity utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(3) When the anticipated losses, loss adjustment expenses, commissions and other acquisition costs, and maintenance costs exceed the recorded unearned premium reserve, contingency reserve, and the estimated future renewal premium on existing policies, a mortgage guaranty insurer shall recognize a premium deficiency reserve by recording an additional liability for the deficiency with a corresponding charge to operations. Commissions and other acquisition costs need not be considered in the premium deficiency analysis to the extent they have been expensed. If a mortgage guaranty insurer utilizes anticipated investment income as a factor in the premium deficiency calculation, disclosure of this shall be made in the financial statements.

(4) When the expected claims payments or incurred costs, claim adjustment expenses and administration costs exceed the premiums to be collected for the remainder of a contract period, an individual or group accident and health insurer or health maintenance organization shall recognize a premium deficiency reserve by recording an additional liability for the deficiency, with a corresponding charge to operations. For purposes of determining if a premium deficiency exists, contracts shall be grouped in a manner consistent with how policies are marketed, serviced, and measured. A liability shall be recognized for each grouping where a premium deficiency is indicated. Deficiencies shall not be offset by anticipated profits in other policy groupings. Such accruals shall be made for any loss contracts, even if the contract period has not yet started.

(4) Unless otherwise provided in the articles of incorporation or an amendment thereto, each stockholder of a combined stock and mutual life insurance company shall, at all meetings, be entitled to one (1) vote for each share of common stock held by him, and each holder of a policy entitled to participate in profits or savings shall be a member and, as such, shall be entitled to vote on the same basis to which he would be entitled in a mutual company under KRS 304.24-210.

Section 37. KRS 304.24-300 is amended to read as follows:

(1) A domestic stock or mutual insurer may borrow money to defray the expenses of its organization, provide it with surplus funds, or for any purpose of its business, upon a written agreement that such money is required to be repaid only out of the insurer's surplus in excess of that stipulated in such agreement. The agreement may provide for interest, which interest shall or shall not constitute a liability of the insurer as to its funds other than such excess of surplus, as stipulated in the agreement. No commission or promotion expense shall be paid in connection with any such loan, except that if public offering and sale is made of the loan securities, the insurer may pay the reasonable costs thereof approved by the commissioner.

(2) Money so borrowed, together with the interest thereon if so stipulated in the agreement, shall not form a part of the insurer's legal liabilities except as to its surplus in excess of the amount thereof stipulated in the agreement, or be the basis of any setoff; but until repaid, financial statements filed or published by the insurer shall show as a footnote thereto the amount thereof then unpaid together with any interest thereon accrued but unpaid. ***A surplus note shall be reported as surplus and not as debt only if the surplus note contains the following provisions:***

(a) Subordination to policyholder; and

(b) Subordination to claimant and beneficiary claims; and

(c) Subordination to all other classes of creditors other than surplus note holders; and

(d) Interest payments and principal repayments require prior approval of the state of domicile.

(3) Any such loan shall be subject to the commissioner's approval. The insurer shall in advance of the loan, file with the commissioner a statement of the purpose of the loan and a copy of the proposed loan agreement. The loan and agreement shall be deemed approved unless within fifteen (15) days after date of such filing the insurer is notified of the commissioner's disapproval and the reasons therefor. The commissioner shall disapprove any proposed loan or agreement if he finds the loan is unnecessary or excessive for the purpose intended, or that the terms of the loan agreement are not fair and equitable to the parties and to other similar lenders, if any, to the insurer, or that the information so filed by the insurer is inadequate.

(4) Any such loan or substantial portion thereof shall be repaid by the insurer when no longer reasonably necessary for the purpose originally intended. No repayment of such a loan shall be made unless approved in advance by the commissioner.

(5) This section shall not apply to other kinds of loans obtained by the insurer in ordinary course of business, nor to loans secured by pledge or mortgage of assets.

Section 38. KRS 304.24-415 is amended to read as follows:

(1) (a) Every insurer domiciled in this state shall file a report with the commissioner disclosing material acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements unless the acquisitions and dispositions of assets or material nonrenewals, cancellations, or revisions of ceded reinsurance agreements have been submitted to the commissioner for review, approval, or information purposes pursuant to other provisions of this chapter.

(b) The report required in paragraph (a) of this subsection is due within fifteen (15) days after the end of the calendar month in which any of the foregoing transactions occur.

(c) One (1) complete copy of the report, including any exhibits or other attachments, shall be filed with:

1. The insurance department of the insurer's state of domicile; and

2. The National Association of Insurance Commissioners.

(d) All reports ***in the possession or control of the commissioner*** obtained by or disclosed to the commissioner pursuant to this section shall be[~~given~~] confidential ***by law and privileged, but may be used, received, and shared in accordance with Section 1 of this Act. However, the reports may***[~~treatment and shall not be subject to subpoena and shall not~~] be made public by the commissioner, ***with either***[~~the National Association of Insurance Commissioners, or any other person, except to insurance departments of other states, without~~] the prior written consent of the insurer to which it pertains ***or a finding by***[~~unless~~] the commissioner, after giving the insurer who would be affected notice and opportunity to be heard,[~~determines~~] that the interest of policyholders, shareholders, or the public will be served by publication, in which event the commissioner may publish all or any part ***of the reports*** in the manner the commissioner may deem appropriate.

(2) (a) No acquisitions or dispositions of assets need be reported pursuant to subsection (1) of this section if the acquisitions or dispositions are not material. For purposes of this section, a material acquisition, or the aggregate of any series of related acquisitions during any thirty (30) day period, is one that is nonrecurring and not in the ordinary course of business and involves more than five percent (5%) of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the insurance department of the insurer's state of domicile.

(b) 1. Asset acquisitions subject to this section include every purchase, lease exchange, merger, consolidation, succession, or other acquisition other than the construction or development of real property by or for the reporting insurer or the acquisition of materials for such purpose.

2. Asset dispositions subject to this section include every sale, lease, exchange, merger, consolidation, mortgage, hypothecation, assignment (whether for the benefit of creditors or otherwise), abandonment, destruction, or other disposition.

(c) 1. The following information is required to be disclosed in any report of a material acquisition or disposition of assets:

e. Purpose of, or reason for, the transaction;

f. Manner by which the amount of consideration was determined;

g. Gain or loss recognized or realized as a result of the transaction; and

h. Names of the persons from which the assets were acquired or to whom they were disposed.

2. Insurers are required to report material acquisitions and dispositions on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to the pool. An insurer is deemed to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars ($1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

(3) (a) No nonrenewals, cancellations, or revisions of ceded reinsurance agreements need be reported pursuant to subsection (1) of this section if the nonrenewals, cancellations or revisions are not material. For purposes of this section, a material nonrenewal, cancellation, or revision is one that affects:

1. As respects property and casualty business, including accident and health business written by a property and casualty insurer:

a. More than fifty percent (50%) of the insurer's total ceded written premium; or

b. More than fifty percent (50%) of the insurer's total ceded indemnity and loss adjustment reserves.

2. As respects life, annuity, and accident and health business, more than fifty percent (50%) of the total reserve credit taken for business ceded, on an annualized basis, as indicated in the insurer's most recent annual statement.

3. As respects either property and casualty or life, annuity, and accident and health business, either of the following events shall constitute a material revision which must be reported:

a. An authorized reinsurer representing more than ten percent (10%) of a total cession is replaced by one (1) or more unauthorized reinsurers; or

b. Previously established collateral requirements have been reduced or waived as respects one (1) or more unauthorized reinsurers representing collectively more than ten percent (10%) of a total cession.

(b) No filing shall be required if:

1. As respects property and casualty business, including accident and health business written by a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than ten percent (10%) of its total written premium for direct and assumed business; or

2. As respects life, annuity, and accident and health business, the total reserve credit taken for business ceded represents, on an annualized basis, less than ten percent (10%) of the statutory reserve requirements prior to any cession.

(c) The following information is required to be disclosed in any report of a material nonrenewal, cancellation, or revision of ceded reinsurance agreements:

1. Effective date of the nonrenewal, cancellation, or revision;

2. The description of the transaction with an identification of the initiator thereof;

3. Purpose of, or reason for, the transaction; and

4. If applicable, the identity of the replacement reinsurers.

(d) Insurers are required to report all material nonrenewals, cancellations, or revisions of ceded reinsurance agreements on a nonconsolidated basis unless the insurer is part of a consolidated group of insurers which utilizes a pooling arrangement or one hundred percent (100%) reinsurance agreement that affects the solvency and integrity of the insurer's reserves and the insurer ceded substantially all of its direct and assumed business to a pool if the insurer has less than one million dollars ($1,000,000) total direct plus assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than five percent (5%) of the insurer's capital and surplus.

(2) Any insurer which is organized under the laws of any other state and is admitted to do business in this state for the purpose of writing insurance may***, upon approval of the commissioner,*** become a domestic insurer by complying with all of the requirements of this chapter relating to the organization and authorization of a domestic insurer of the same type and by designating its principal place of business at a place in this state. ***The***[~~Such a~~] domestic insurer ***shall***[~~will~~] be entitled to like certificates of authority to transact business in this state, and shall be subject to the authority and jurisdiction of this state.

All outstanding policies of any transferring insurer shall remain in full force and effect and need not be endorsed as to the new name of the insurer or its new location unless so ordered by the commissioner. Every transferring insurer shall file new policy forms with the commissioner on or before the effective date of the transfer but may use existing policy forms with appropriate endorsements if allowed by, and under such conditions as approved by, the commissioner. However, every transferring insurer shall notify the commissioner in writing of the details of the proposed transfer and shall file promptly appropriate amendments to corporate documents required to be filed with the commissioner.

(5) (a) Any insurer transferring its domicile in accordance with subsections (2) or (3) of this section shall file an application for redomestication and transfer of domicile with the commissioner. This transfer of domicile must be approved by order of the commissioner. If the commissioner does not approve the transfer of domicile, the applicant insurer may request a hearing in accordance with KRS 304.2-310(2)(b).

(b) An applicant filing to become a domestic insurer in accordance with subsection (2) of this section shall include a notice of transfer of domicile to the Secretary of State and the articles, amended articles, or restated articles of incorporation in compliance with KRS 271B.2-020.

A domestic society organized on or after January 1, 1989, shall be formed as follows:

All documents filed shall be in the English language. (3) No preliminary certificate of authority granted under the provisions of this section shall be valid after one (1) year from its date or after such further period, not exceeding one (1) year, as may be authorized by the commissioner upon cause shown, unless the five hundred (500) applicants hereinafter required have been secured and the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in one (1) year from the date of the preliminary certificate of authority, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business.
